ONE OF THE MOST LOVED NOVELS OF THE DECADE. A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for his widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he's still alive. But it wasn't always like this: in the Polish village of his youth, he fell in love and wrote a book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (Newsday). "A quiet, elegant, and beautiful journey through and through" – Leah Johnson, author of *You Should See Me in a Crown* A teen girl navigates friendship drama, the end of high school, and discovering her queerness in Ophelia After All, the hilarious and heartfelt contemporary YA debut by Raquel Maria. Ophelia Rojas knows what she likes: her best friends, Cuban food, rose-gardening, and boys – way too many boys. Her friends and parents make fun of her endless stream of crushes, but Ophelia is a romantic at heart. She couldn't change, even if she wanted to. So when she finds herself thinking more about cute, quiet Talia Sanchez than the loss of a perfect prom with her ex-boyfriend, seeds of doubt take root in Ophelia's firm image of herself. Add to that the impending end of high school and the fracturing of her once-solid friend group, and things are spiraling a little out of control. But the course of love – and sexuality – never did run smooth. As her secrets begin to unravel, Ophelia must make a choice between clinging to the fantasy version of herself she's always imagined or upending everyone's expectations to rediscover who she really is, after all.

If You Could Be Mine

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course;...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits—whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

The Magic Jukebox sits in the Faulk Street Tavern in the quiet seaside town of Brogan's Point, Massachusetts. No one knows what classic rock songs will come out of the jukebox when a coin is inserted, but every now and then, the jukebox will play a song that casts a spell on two bar patrons—a song that will change their lives and open their hearts to love.Antiques dealer Diana Simms is engaged to her longtime boyfriend when she finds herself inside the Faulk Street Tavern. The song "Changes" emerges from the jukebox and enchants her. It also captivates Nick Fiore, a local guy who's arrived at adulthood the hard way, after a tour through the juvenile justice system. Now he's dedicated his life to helping other troubled kids. He has no business even looking at a beautiful, well-bred woman wearing a diamond engagement ring. But once they're bewitched by the jukebox, he and Diana must change their lives, their goals, their dreams...and their hearts.

Why is this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets—perfect for fans of One of Us is Lying and Knives Out. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea why—or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House where every room bears the old man's touch—and his love of the puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day they would inherit billions. Her apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as her grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive.

United Nations Champion of the Earth, climate scientist, and evangelical Christian Katharine Hayhoe changes the debate on how we can save our future in this nationally bestselling " optimistic view on why collective action is still possible—and how it can be realized " (The New York Times, Called " one of the nation ' s most effective communicators on climate change " by The New York Times, Katharine Hayhoe shows how to navigate all sides of the conversation on our changing planet. A Canadian climate scientist living in Texas, she negotiates distrust of data, indifference to imminent threats, and resistance to proposed solutions with ease. Over the past fifteen years Hayhoe has found that the most important thing we can do to address climate change is talk about it—and she wants to teach you how. In *Saving Us*, Hayhoe argues that when it comes to changing hearts and minds, facts are only one part of the equation. We need to find shared values in order to connect our unique identities to collective action. This is not another doomsday narrative about a planet on fire. It is a multilayered look at science, faith, and human psychology, from an icon in her field—recently named chief scientist at The Nature Conservancy. Drawing on interdisciplinary research and personal stories, Hayhoe shows that small conversations can have astonishing results. Saving Us leaves us with the tools to open a dialogue with your loved ones about how we all can play a role in pushing forward for change.

WITH FEATURETTES FROM NICHOLAS SPARKS AND THE MOVIE CAST, DELETED SCENES, MUSIC VIDEO, AND MORE! IN THEATERS OCTOBER 17, 2014! Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberato "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostelter, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can force the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew – about Tuck, about themselves, and about the dreams they held dear – was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?

In this collection of short stories, Aidoo elevates the mundane in women's lives to an intellectual level in an attempt at challenging patriarchal structures and dominance in African society.

What story would Eve have told about picking the apple? Why is Pandora blamed for opening the box? And what about the fate of Cassandra who was blessed with knowing the future but cursed so that no one believed her? What if women had been the storytellers? Elizabeth Lesser believes that if women's voices had been equally heard and respected throughout history, humankind would have followed different hero myths and guiding stories—stories that value caretaking, champion compassion, and elevate communication over vengeance and violence. Cassandra Speaks is about the stories we tell and how those stories become the culture. It's about the stories we tell blindly cling to, and the ones that cling to us: the origin tales, the guiding myths, the religious parables, the literature and films and fairy tales passed down through the centuries about women and men, power and war, sex and love, and the values we live by. Stories written mostly by men with lessons and laws for all of humanity. We have outgrown so many of them, and still they endure. This book is about what happens when women are the storytellers too—when we speak from our authentic voices, when we flex our values, when we become protagonists in the tales we tell about what it means to be human. Lesser has walked two main paths in her life—the spiritual path and the feminist one—paths that sometimes cross but sometimes feel at cross-purposes. Cassandra Speaks is her extraordinary merging of the two. The bestselling author of *Broken Open* and *Marrow*, Lesser is as a beloved spiritual writer, as well as a leading feminist thinker. In this book she gives equal voice to the cool water of the meditative self and the fire of her feminist self. With her trademark gifts of both humor and insight, she offers a vision that transcends the either/or ideologies on both sides of the gender debate. Brilliantly structured into three distinct parts, Part One explores how history is carried forward through the stories a culture tells and values, and what we can do to balance the scales. Part Two looks at women and power and expands what it means to be courageous, daring, and strong. And Part Three offers "A Toolbox for Inner Strength." Lesser argues that change in the culture starts with inner change, and that no one—woman or man— is immune to the corrupting influence of power. She provides inner tools to help us be both strong-willed and kind-hearted. Cassandra Speaks is a beautifully balanced synthesis of storytelling, memoir, and cultural observation. Women, men and all people will find themselves in the pages of this book, and will come away strengthened, opened, and ready to work together to create a better world for all people.

Now an original series on Hulu! YOU NEVER FORGET YOUR WORST. "A twisted modern love story" (Parade), Tell Me Lies is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn't let go of. The one you'll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she's never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she's quickly seduced by this vision of her. And she's quickly seduced by this vision of her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy's heart. Lucy knows there's something about Stephen that isn't to be trusted. Stephen knows Lucy can't see herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy's and Stephen's voices, Tell Me Lies follows their connection through college and post-college life in New York City. "Readers will be enraptured" (Booklist) by the "unforgettable beauties in this very sexy story" (Kirkus Review). With the psychological insight and biting wit of Luckiest Girl Alive, and the yearning ambitions and desires of *Sweatbiter*, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.

A BEST OF SUMMER READ ACCORDING TO NEWSWEEK, PARADE MAGAZINE, NBC NEWS, LITHUB, AND POPSUGAR! "The most heartfelt read of the summer...a surprising delight of a novel."—Shondaland An unforgettable and heartwarming debut about how a chance encounter with a list of library books helps forge an unlikely friendship between two very different people in a London suburb. Widower Mukesh lives a quiet life in Wembley, in West London after losing his beloved wife. He shops every Wednesday, goes to Temple, and worries about his granddaughter, Priya, who hides in her room reading while he spends his evenings watching nature documentaries. Aleisha is back but anxious teenager working at the local library for the summer when she discovers a crumpled-up piece of paper in the back of To Kill a Mockingbird. It's a list of novels that she's never heard of before. Intrigued, and a little bored with her slow job at the checkout desk, she impulsively decides to read every book on the list, one after the other. As each story gives up its magic, the books transport Aleisha from the painful realities she's facing at home. When Mukesh arrives at the library, desperate to forge a connection with his bookworm granddaughter, Aleisha passes along the reading list...hoping that it will be a lifeline for him too. Slowly, the shared books create a connection between two lonely souls, as fiction helps them escape their grief and everyday troubles and find joy again.

DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart—to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O'Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, *Prose* cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

An Easy & Proven Way to Build Good Habits & Break Bad Ones

Cassandra Speaks

Set on the Caribbean coast of South America, this love story brings together Fermina Daza, her distinguished husband, and a man who has secretly loved her for more than fifty years.

INSTANT NEW YORK TIMES BESTSELLER The #1 New York Times bestselling author of *If Ends with Us*—whose writing is "emotionally wrenching and utterly original" (Sara Shepard, New York Times bestselling author of the *Pretty Little Liars* series)—delivers a tour de force novel about a troubled marriage and the one old forgotten promise that might be able to save it. Quinn and Graham's perfect love is threatened by their imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are now tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. All *Your Perfects* is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a heartbreaking page-turner that asks: Can a resounding love with a perfect beginning survive a lifetime between two imperfect people?

A BTS fan favorite! A WALL STREET JOURNAL STORY THAT CAN TAKE YOU ANYWHERE PICK ' ENTERTAINMENT WEEKLY'S STAY HOME AND READ PICK ' SALON'S BEST AND BOLDEST ' BUSTLE'S MOST ANTICIPATED The Emissary meets the Curious Incident of the Dog in the Nighttime in this poignant and triumphant story about how love, friendship, and persistence can change a life forever. This story is, in short, about a monster meeting another monster. One of the monsters is me. Yunjae was born with a brain condition called Alexithymia that makes it hard for him to feel emotions like fear or anger. He does not have friends—the two almond-shaped neurons located deep in his brain have been cut to that—but his devoted mother and grandmother provide him with a safe and content life. Their little home above his mother's used bookstore is decorated with colorful Post-it notes that remind him when to smile, when to say "thank you," and when to laugh. Then on Christmas Eve—Yunjae's sixteenth birthday—everything changes. A shocking act of random violence shatters his world, leaving him alone and on his own. Struggling to cope with his loss, Yunjae retreats into silent isolation, until troubled teenager Gong arrives at his school, and they develop a surprising bond. As Yunjae begins to open his life to new people—including a girl at school—something slowly changes inside him. And when Gong suddenly finds his life at risk, Yunjae will have the chance to step outside of every comfort zone he has created to perhaps become the hero he never thought he would be. Readers of *Wonder* by R.J. Palacio and *Ginny Moon* by Benjamin Ludwig will appreciate this "resonant" story that "gives Yunjae the courage to claim an entirely different story." "Will leave readers swooning."—PopSugar "When Dimple Met Rishi meets Ugly Delicious in this funny, smart romantic comedy, in just two Vietnamese American teens fall in love and must navigate their newfound relationship amid their families' age-old feud about their competing, neighboring restaurants. If Bao Nguyen had to describe himself, he'd say he was a rock. Steady and strong, but not particularly interesting. His grades are average, his social status unremarkable. He works at his parents' pho restaurant, and even there, he is his parents' fifth favorite employee. Not ideal. If Linh Mai had to describe herself, she'd say she was a firefighter. Stable when unlit, but full of potential for joy and fire. She loves art and dreams pursuing a career in it. The only problem? Her parents rely on her in ways they're not willing to admit, including working practically full-time at her family's pho restaurant. For years, the Mais and the Nguyens have been at odds, having owned competing, neighboring pho restaurants. Bao and Linh, who've avoided each other for most of their lives, both suspect that the feud stems from feelings much deeper than friendly competition. But then a chance encounter brings Linh and Bao in the same vicinity despite their best efforts and sparks fly, leading them both to wonder what took so long for them to connect. But then, of course, they immediately remember. Can Linh and Bao find love in the midst of feuding families and complicated histories?
