## Acids and Bases

Now, consider  
the equation  
for the  
ionization of  
hydrogen  
fluoride in  
water.

According to  
the Brønsted-  
Lowry  
definition, the  
equation is

## and Salts

Chapter 19: Acids and Bases You're probably already aware from what you've learned in other classes that acids and bases are all over the place. From the lemon you put in iced tea to the Drano put down the drain to keep

your hair from clogging the drain, acids and bases are an important part of our lives.
