This inspiring-and sometimes shocking-TRUE story is about love, trust, incest, murder and, yes, an actual miracle. The producer of the 2017 Discovery ID TV episode featuring Cheryl Cuccio says, "I laud Cheryl Pierson Cuccio and Rob Cuccio for blazing their traumatic pasts and valiant love story so that others who suffer in silence might be emboldened to seek help. Like so many, I was first drawn to their story for its spectacle, but have come through it deeply humbled and indebted."In 1986 Cheryl Pierson was a sixteen year old abuse and incest victim. Day after day her father placed the fear in her no one would believe her if she revealed their dirty secret. But Cheryl had made a promise to her mother, as she lay in her coffin, to protect her eight year old sister from the monster Cheryl's father had become. To honor this promise and end the daily hell she endured, the distraught teenager hired a classmate to murder her father. The name Cheryl Pierson was in the national media for years, filled with assumptions and fabrications surrounding the murder, but her side of the story was never truly covered from her perspective. The one interview she did give to a reporter was while she was still in shock from what had transpired.Now, after thirty years, Cheryl has come out of the shadows to tell her true story--what really happened behind the doors at 293 Magnolia Drive, and what the life she and Rob have shared has been like. She is a strong survivor and hopes to inspire courage in those who walk in her shoes, and to promote abuse and incest awareness with this book. That strength was called into action in 2012 and the result was a miracle!

Film is a visual medium, the work of Eric Rohmer and Kevin Smith notwithstanding. It is important for a director and cinematographer to use their VISUAL EYES in order to VISUALIZE how to make their movie most effective. Also, there is the messy business of actors. Generally, movies have them, and directors have to deal with them. This guide will illuminate these two main jobs of the director: directing the camera and directing the actor, while showing how these two jobs manifest themselves during practical filmmaking -- whether it be, 'Which shots can I lose and still tell my story since we're running out of time', or 'How do I get two actors who hate each other to perform a passionate sex scene', all will be revealed.

The Social Media Bible

'Of course I'm a f\*\*king hooligan, you pr\*\*k. I am a hooligan...there I've said it...I'm a hooligan. And, do you know why? Because that's my f\*\*king job.' In 1995, a film called I.D., about an ambitious young copper who was sent undercover to track down the 'generals' of a football hooligan gang, achieved cult status for its sheer brutality and unsettling insight into the dark and often bloody side of the so-called beautiful game. The film was so shocking it was hard to believe the mindless events that took place could ever happen in the real world. Well, believe it now... Almost twenty years on, the man behind the film has explosively revealed that the script was largely a true story. That man, James Bannon, was the ambitious undercover cop. The football club was Millwall F.C. and the gang that he infiltrated was The Bushwackers, among the most brutal and fearless in English football. In Running with the Firm, Bannon shares his intense and dangerous journey into the underworld of football hooliganism where sickening levels of violence prevail over anything else. He introduces you to the hardest thugs from football's most notorious gangs, tells all about the secret and almost comical police operations that were meant to bring them down, and, how once you're on the inside, getting out from the mob proves to be the biggest mission of all. A disturbing but compelling read, this is the book that proves fact really is stranger than fiction.
