As this
biography
elucidates,
cholera has
historically
not only

Page 17/96

driven
individual
destiny (Mary
Lennox would
never have
left India for
Mistlethwaite
Manor had not
her parents,
her ayah, and
most of the
servants died

Page 18/96

of cholera in
the first
pages of
Frances
Hodgson
Burnett's book
The Secret
Garden), but
it has also
defined and
reflected
prevailing

Page 19/96

attitudes
about the
politics,
economy, race
relations, and
social
hierarchies of
entire nations
to an extent
not matched
until the
advent of

Page 20/96

AIDS .
