College student Christy trusts God to guide her in making decisions about school and her boyfriend Todd.

Nearly a century after his final major league appearance, Christy Mathewson is still considered one of the greatest right-handed pitchers in the history of baseball. Mathewson ranks in the top ten among pitchers for wins, shutouts, and ERA, and in 1936 he was honored as one of the inaugural members of the Baseball Hall of Fame. Playing in the early twentieth century, Mathewson was the nation’s first All-American hero, a man of Christianity inspiring the values of millions while bringing dignity to a game that had previously been reserved for rougher characters. In Christy Mathewson, the Christian Gentleman: How One Man's Faith and Fastball Forever Changed Baseball, Bob Gaines delivers a close and personal look at the extraordinary life and soul of a gifted man living in a unique time. After growing up in a loving, Christian home and attending Bucknell University under the careful watch of his childhood pastor, Mathewson struggled to find his footing in the unsavory world of professional baseball. Seen as an “intellectual college boy” whose shy personality was misinterpreted as an aloof arrogance, Mathewson’s faith and character were put to the test. Through strong will and an unusual partnership with John McGraw—a manager his exact opposite in everything but a desire to succeed and a fervent belief in God—Christy became the most admired and respected man on his team. Christy Mathewson, the Christian Gentleman features details on Christy’s childhood and college years not documented by other sports historians—information discovered by the author in Mathewson’s hometown, the churches he attended, and college archives. Including timeless images, this book brings to life Mathewson’s amazing career, faultless character, and unwavering faith.

This unique information book for the very young switches between bodies of water and corresponding land masses with the simple turn of a page. Full color.

George Christy's Essence of Old Kentucky

"Hey, did anyone tell you look like James Dean!" It happened once in a while. I had just lit a cigarette... (can't resist the slice of ham). Drawing into myself; playing the dead actor behind the wheel, cigarette dangling loosely from my pouting lips; angry at life... scowling at the world! Christy Jones was no James Dean, but he could proudly tell people in his taxi that he was an actor nonetheless. And driving wasn't the only time he could play a character. The author of this memoir found a passion for acting and made it to Stella Adler's Academy for Theater in the early '60s. But to make a decent living he drove a taxi across New York for six years. Christy never had an accident, though he had plenty of narrow escapes during his six years of driving. He preferred driving at night, so he could make the rounds of agents and producers during the day. But the streets can be treacherous... and dangerous. A cab only lasts a couple of years on New York City streets. After a long time spent dropping people off at their destinations, he finally arrived at his own: Broadway. Taxi to Broadway is a story of fleeting conversations and adventurous nocturnal driving, but in the end, it is what all great stories should be – a tale about following your passions.

When Uncle Bob presented Christy with a diary at the beginning of her sophomore year in high school, he told her to write down what she was thinking and feeling. Christy took his advice and soon found that the diary became a favorite place to go when she needed to sort out the tumbled-together ups and downs of life.

Christy Miller is now an independent nineteen-year-old college student living in Switzerland, where she's been attending an international university. After being on her own for nearly a year, Christy is surprised and delighted when her two closest friends, Todd and Katie, come to Switzerland to spend the summer break traveling around Europe. The three of them have very different expectations for the trip that threaten to make the time together much less pleasant than it could be. The tension increases when time runs short, and Christy is overwhelmed with the realization that she will soon have to say good-bye to Todd all over again. Do they have the kind of love that will last until tomorrow?

When the villains start to multiply, Nickelodeon’s Teenage Mutant Ninja Turtles are forced to split up. Will two teams be better than one? Boys ages 7 to 9 will thrill to this action-packed Step into Reading level 4 reader.

The early days of baseball are chronicled in this story of the friendship between Christy Mathewson, one of baseball’s first superstars, and New York Giants manager John McGraw, in a volume celebrating the centennial of the first World Series in which a New York team played. Reprint. 50,000 first printing.

Fame, fortune, and beautiful models. Howard Chandler Christy had them all. Christy was the most famous American painter of the Jazz Age, a time when an elite brotherhood of New York artists dominated the publishing world. Christy had eclipsed all of them with his "Christy Girl," an idealized woman who redefined beauty, influenced fashion, and inspired generations of women. The Magic of Youth is the first book in An Affair with Beauty: The Mystique of Howard Chandler Christy, a biographical trilogy of the artist's epic life as told primarily through the eyes of his second wife, Nancy, a former Cosmopolitan model once considered to be one of the most beautiful women in America. As she reflects on her life, Nancy tells of first meeting Christy in 1912 and becoming his top model.

When all-time pitching great Christy Mathewson died of tuberculosis in 1925 at the age of 45, it touched off a wave of national mourning that remains without precedent for an American athlete. The World Series was underway, and the game the day after Mathewson's death took on the trappings of a state funeral: officials slowly lowered the flag to half-mast, each ballplayer wore a black armband, and fans joined together in a chorus of "Nearer My God to Thee." Newspaper editorials recalled Mathewson's glorious career with the New York Giants, but also emphasized his unstinting good sportsmanship and voluntary service in World War I. The pitcher known to one and all as "Matty" or "Big Six" was as beloved for the strength of character he brought to the national pastime, as for his stunning 373 career victories. "I do not expect to see his like again," said his best friend and former manager, John McGraw. "But I do know that the example he set and the imprint he left on the sport that he loved and honored will remain long after I am gone." In Matty, Ray Robinson tells the story of a man who became America's first authentic sports hero. Until Mathewson, Robinson reveals, Americans loved baseball, but looked down on ballplayers and other athletes as hard-drinking, skirt-chasing ne'er-do-wells. Deprived of real-life role models, millions of readers followed the serialized exploits of Frank Merriwell, a fictional hero who excelled at sports from baseball to billiards and never drank, smoke, or swore. Robinson shows how an eager public greeted Mathewson as a flesh-and-blood version of Merriwell from his first year at Bucknell University, where he shone as star pitcher, premier field-goal kicker, and class president. Lured into the big leagues before he could graduate, the tall, handsome pitcher soon won over men, women and children with his sense of fair play and his arsenal of blazing fastballs, sweeping curves, and infamously deceptive fadeaway pitches. Robinson skillfully details the highlights of Mathewson's career, including his showdowns against the great batters of his day and his encounters with the young Brooklyn, Chicago, Pittsburgh and St. Louis teams. Here are the six remarkable days in October, 1905 when Mathewson became the only pitcher ever to hurl three straight shutouts in a World Series, and the afternoon at West Point when he won \$50 in a bet that he could throw 20 of his best pitches to exactly the same spot. Robinson does not underplay Mathewson's occasional failings, but the most surprising aspect of this fascinating portrait is just how close America's first Hall of Fame pitcher came to living up to his image. Drawing on rare interviews, press clips, and long overlooked eyewitness accounts, Matty brings baseball's golden age to life--not only the great teams and the early superstars, but the long train trips between games, with cramped berths and no air conditioning; the small town ballplayers let loose amidst big city vice; and the two-bit gambling that eventually led to the infamous Black Sox Scandal of the 1919 Series (a scandal that might have escaped detection if the sportswriters in the press box with Mathewson had not been able to rely on his experienced eye for clues to how ballplayers might throw games). Offering rare insight into the making of an early twentieth century American hero, Matty is must reading for anyone who loves baseball.

Christy Brown was severely disabled with cerebral palsy, unable to use any part of his body other than his left foot. Doctors said he was a 'mental defective' and that he would never be able to lead any kind of normal life; Christy proved them wrong. His mother taught him to write using chalk on the worn floor of their small home, and Christy grew into a talented artist and writer. His 1954 memoir *My Left Foot* was made into an Oscar-winning film starring Daniel Day-Lewis, while his bestselling novel *Down All the Days* was described by the Irish Times as 'the most important novel since *Ulysses*'. Using previously unpublished letters and poems, this first authorised biography marks Christy Brown's importance as a writer and celebrates his indomitable spirit. His story proves that, with hope and determination, almost impossible odds can be overcome.

Christy Lee Peeks Collection of Fine Art By: Christy Lee Peeks Christy Lee Peeks Collection of Fine Art consists of a collection of art the author created while in Berea Middle School and Berea High School.

"From the prize-winning author of *The Beekeeper of Aleppo*, a stunning novel about the disappearance of a Sri Lankan nanny and how the most vulnerable people find their voices. "It began with a crunch of leaves and earth. So early, so cold, the branches shone with ice. I'd returned to collect the songbirds. They are worth more than their weight in gold." Yiannis is a poacher, trapping the tiny protected songbirds that stop in Cyprus as they migrate each year from Africa to Europe and selling them on the black market. He dreams of finding a new way of life, and of marrying Nisha, who works on the island as a nanny and maid--having left her native Sri Lanka to try to earn enough to support her daughter, left behind and raised by relatives. But Nisha has vanished; one evening, she steps out on a mysterious errand and doesn't return. The police write off her disappearance as just another runaway domestic worker, so her employer, Petra, undertakes the investigation. Petra's unravelling of Nisha's last days in Cyprus lead her to Nisha's friends--other maids in the neighborhood--and to the darker side of a migrant's life, where impossible choices leave them vulnerable, captive, and worse. Based on the real-life disappearance of domestic workers in Cyprus, Christy Lefteri has crafted a poignant, deeply empathetic narrative of the human stories behind the headlines. With infinite tenderness and skill, *Songbirds* offers a triumphant story of the fight for truth and justice, and of women reclaiming their lost voices"--

She sighed and rolled her eyes up to heaven. " Why me? " she whispered. She had to be the only teacher in the world who had hogs living under her classroom. When Christy is offered a chance to teach in her hometown, she faces a difficult decision. Will her train ride back to Cutter Gap be a journey home or a last farewell? Suddenly, the train carrying Christy breaks from the track and plunges down the side of the mountain. In a moment of terror and danger, she must decide where her future lies. ----- Based on Catherine Marshall's novel Christy—a New York Times bestseller—the Christy® of Cutter Gap series contains expanded adventures filled with romance, intrigue, and excitement.

"Christy and Todd both made important promises long ago. Todd assured his dad he'd stand with him if his dad ever got remarried. Christy promised her best friend she'd be there for Katie when she walked down the aisle ... What neither of them ever guessed was that they'd need to fly halfway around the world to keep their promises and participate in the weddings of these two people they love ... However, an unexpected phone call uproots Christy and Todd the night before their flight and a frightening diagnosis leaves the young couple questioning their next decision"--P. 4 of cover.
