Sell it ... Most models come with the 2.8 CRD diesel which is strong, if not especially refined. But the Chrysler Grand Voyager really excels in terms of practicality. All the rear seats can be individually folded away into the floor and don't have to be removed like other MPVs such as the Renault Espace.

Underneath the skin, the stand-out engine is a 2.8-litre CRD diesel, which provides an improved level of acceleration and fuel economy over previous generations. The diesel option is chosen by the majority of Voyager customers, and it's engineered to provide quick acceleration from a standing start.
