Juan Cabrillo and his CIA-backed Oregon crew must beat opposing factions to a discovery that could prevent World War III in this novel in the #1 New York Times-bestselling series. In the remote wastes of Greenland, a young scientist has unearthed an artifact hidden in a cave for a millennium: a 50,000 year-old radioactive meteorite known as the Sacred Stone. But the astounding find places him in the crosshairs of two opposing groups who seek the stone for themselves. One is a group of Muslim extremists who have stolen a nuclear device. With the power of the meteorite, they could vaporize any city in the west. The other group is led by a megalomaniacal industrialist who seeks to carry out the utter annihilation of Islam itself. Caught between two militant factions bent on wholesale slaughter, Juan Cabrillo and his crew must fight to protect the scientist and the Sacred Stone—and prevent the outbreak of World War III...

In 1902, the volcano Mt. Pele erupts on the island of Martinique, wiping out an entire city and sinking a ship carrying a German scientist on the verge of an astonishing breakthrough. More than a century later, Juan Cabrillo will have to deal with that scientist's legacy. During a covert operation, Cabrillo and the crew meticulously fake the sinking of the Oregon - but when an unknown adversary tracks them down despite their planning and attempts to assassinate them, Cabrillo and his team struggle to fight back against an enemy who seems to be able to anticipate their every move.

Dirk Pitt—"oceanography's answer to Indiana Jones"—responds to a Mayday signal from a deserted ship and gets drawn towards a deadly Cold War secret in this thriller in Clive Cussler's #1 New York Times-bestselling series. Dirk Pitt, the director of the National Underwater and Marine Agency, is on the Black Sea, helping to locate a lost Ottoman shipwreck, when he responds to an urgent Mayday—"Under attack!"—from a nearby freighter. But when he and his colleague Al Giordino arrive, there is nobody there. Just dead bodies and a smell of sulfur in the air. As Pitt and Giordino explore, a blast from the stern scuttles the ship swiftly, almost taking them with it. The more the two of them search for the secret of the death ship, the deeper they descend into an extraordinary series of discoveries. A desperate attempt in 1917 to preserve the wealth and power of the Romanov Empire. A Cold War bomber lost with a deadly cargo. A brilliant developer of advanced drone technology on an unknown mission. Modern-day nuclear smugglers, determined Ukrainian rebels, a beautiful anti-terrorism agent from Europol—all will combine to present Pitt with the most dangerous challenge of his career. And not only Pitt. His two children, marine

engineer Dirk and oceanographer Summer, are exploring a mysterious shipwreck of their own, when they are catapulted into his orbit. The three of them are used to perilous situations—but this time, they may have found their match.

When a key element of a new and powerful attack submarine goes missing and ships begin disappearing in mid-ocean, NUMA director Dirk Pitt and his team embark on an international chase to discover the truth.

Marine explorer Dirk Pitt must rely on the nautical lore of Jules Verne to stop a ruthless oil baron with his sights set on political power in this #1 New York Times-bestselling series. In the middle of its maiden voyage, a luxury cruise ship using revolutionary new engines suddenly catches fire and sinks. Its alarms stay silent; its sprinkler system remains inactive. Nearby NUMA special projects director Dirk Pitt notices smoke and races to the rescue. He's too late to save the engineer behind the ship's new technology, but helps the man's daughter, Kelly Egan, escape with her father's work in a leather briefcase. While Ms. Egan strives to uncover the hidden value in her father's inventions, Pitt is hired on by maritime insurers to investigate the wreckage.

Neither are prepared for the mechanical marvels they'll soon be forced to confront. The machines could only be the stuff of legend, described in the tales of Viking explorers or the accounts of Jules Verne. And they may be Pitt and Egan's only hope when an oil tycoon with a plan of his own appears on the scene. Before journey's end, Pitt will take on a power-mad millionaire, tread upon territory previously known only to Verne's illustrious Captain Nemo, and make shocking discoveries about his own past.

Oceanic explorers Dirk Pitt and Al Giordino find intrigue, adventure, and peril while collecting clues to the mysterious treasure of Xanadu, the famed capital of Kublai Khan ' s empire. When Dirk Pitt is nearly killed rescuing an oil survey team from a freak wave on Russia ' s Lake Baikal, it appears a simple act of nature. But when the survey team is abducted and Pitt ' s research vessel nearly sunk, it becomes clear this is no run of bad luck, but the influence of something, or someone, more sinister. In fact, Pitt and the NUMA crew have inadvertently stepped between a Mongolian tycoon and his plans to corner the global oil market, beginning with covert negotiations in China. To ensure the deal goes through, this mysterious businessman will encourage ever-escalating acts of sabotage and violence. Pitt and Giordino soon learn the magnate ' s fury and his power both stem from the same source: a dark secret about Genghis Khan, the greatest conqueror the world has ever known. To Pitt and Giordino the famed Khan ' s empire is nearly the stuff of legend and his tomb a forgotten mystery. But the Khan ' s legacy is very real. And it ' s the treasure of his grandson Kublai Khan that holds the key to stopping this modern-day oil baron from restoring the conquests of his ancestors.
