Audio material is available to accompany Colloquial Spanish 2. Recorded by native speakers, this material will help you perfect your pronunciation and listening skills.

Recent trends in syntax and morphology have shown the great importance of doing research on variation in closely related languages. This book centers on the study of the morphology and syntax of the two major Romance Languages spoken in Latin America from this perspective. The works presented here either compare Brazilian Portuguese with European Portuguese or compare Latin American Spanish and Peninsular Spanish, or simply compare Portuguese and its varieties with Spanish and its varieties. The chapters advance on a great variety of theoretical questions related to coordination, clitics, hyper-raising, infinitives, null objects, null subjects, hyper-raising, passives, quantifiers, pseudo-clefts, questions and distributed morphology. Finally, this book provides new empirical findings and enriches the descriptions made about Portuguese and Spanish Spoken in the Americas by providing new generalizations, new data and new statistical evidence that help better understand the nature of such variation. The studies contained in this book show a vast array of new phenomena in these young varieties, offering empirical and theoretical windows to language variation and change.

This Spanish slang lexicon explains & translates many of the obscure expressions in common usage on Mexican streets today, most of which are not in standard English/Spanish dictionary. (Contains some adult language.)

Manual of Business Spanish is the most comprehensive, single-volume reference handbook for students and professionals using Spanish. Designed for all users, no matter what level of language skill, it comprises five parts: * A 6000-word, two-way Glossary of the most useful business terms * A 100-page Written Communications section giving models of 50 letters, faxes and documents * An 80-page Spoken Situations section covering face-to-face and telephone situations * A short Reference

Grammar outlining the major grammar features of Spanish * A short Business Facts section covering essential information of the country or countries where Spanish is used Written by an experienced native and non-native speaker team, this unique volume is an essential, one-stop reference for all students and professionals studying or working in business and management where Spanish is used.

A Spoken Language Guide

Colloquial Tamil

Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious "gringo" errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, "trickster" words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. Breaking Out of Beginner's Spanish will be an essential aid in passing the supreme language test—communicating fluently with native speakers. Self-study of everyday Latin American Spanish including grammar and vocabulary. Includes idiomatic expressions, translation and interpreting exercises, glossaries, supplementary exercises, and weblinks. Audio material helps perfect pronunciation and listening skills.

Suitable for linguists, sociolinguists, language acquisitionists, as well as teachers who deal with topics relating to bilingualism as it relates to Spanish speakers around the world, this title focuses on bilingual theories, issues on the teaching of bilinguals, bilingual policies abroad, and research on bilinguals.

Easy Spanish Phrase Book

What is 'Hispanic Studies'? This companion gives a concise and accessible overview of the discipline as taught today and suggests new directions for future developments.

'Hispanic Studies' is broadly concerned with the languages and cultures of the vast 'Hispanic' world, extending chronologically from Roman Hispania to today, and geographically from Roman Hispania to today, and geographically from California in the North to Patagonia in the South, and from Majorca in the East to the Andes in the West. This essential book provides all the necessary introductory information on the subject and will be especially useful for students who have already started courses in Spanish / Hispanic Studies, or who are considering doing so in the future. Written by a team of leading scholars each with established teaching experience this collection of short essays explores topics as diverse as the history of the Spanish language, Islamic Andalusia, race and class in the Spanish Golden Age, Catalan nationalism, the Madrid 'movida', Latin America cinema, tango in Argentina, Evita Per n, 'testimonio' and the cultural significance of the US-Mexican border. The emphasis is on literature and texts, including film and photography. In addition, the book includes time-lines, summary boxes and suggestions for further reading.

A Frequency Dictionary of Spanish has been fully revised and updated, including over 500 new entries, making it an invaluable resource for students of Spanish. Based on a new web-based corpus containing more than 2 billion words collected from 21 Spanish-speaking countries, the second edition of A Frequency Dictionary of Spanish provides the most expansive and up-to-date guidelines on Spanish vocabulary. Each entry is accompanied with an illustrative example and full English translation. The Dictionary

provides a rich resource for language teaching and curriculum design, while a separate CD version provides the full text in a tab-delimited format ideally suited for use by corpus and computational linguistics. With entries arranged both by frequency and alphabetically, A Frequency Dictionary of Spanish enables students of all levels to get the most out of their study of vocabulary in an engaging and efficient way.

This study considers the ways Spanish American and Brazilian poets differ from their European counterparts by considering 'Latin American' as more than a perfunctory epithet. It sets the orthodox Latin tradition of the subcontinent against others that have survived or grown up after the conquest then pays attention to those poets who, from Independence, have striven to express a specifically American moral and geographical identity. Dr Brotherson focuses on Modernismo, or the 'coming of age' of poetry in Spanish America and Brazil, and the importance of the movements associated with it. He considers César Vallejo and Pablo Neruda, probably the greatest of the selection, Octavio Paz, and modern poets who have reacted differently to the idea that Latin America might now be thought to have not just a geographical but a nascent political identity of its own. Poems are liberally quoted, and treated as entities in their own right.

'Excellent book. The chapters put together and systematise a lot of material that is often taught in an anecdotal or haphazard sort of way, if at all. Students will learn a great deal from the book and have their confidence in using Spanish considerably boosted as a result.' - Jonathan Thacker, Merton College, University of Oxford, UK 'An invaluable, highly original and methodically sound approach to correcting and eliminating common, yet difficult-to-eliminate errors.' - Manuel Delgado, Bucknell University, USA 'The user-friendly format and page layout makes Speed Up Your Spanish a highly practical reference source for students and teachers.' - Ma Victoria García Serrano, University of Pennsylvania, USA False friends, idiomatic expressions, gender and capitalization are just some of the areas that cause confusion for students of Spanish. Learning how to avoid the common errors that arise repeatedly in these areas is an essential step for successful language learning. Speed Up Your Spanish is a unique and innovative resource that identifies and explains such errors, thereby

enabling students of Spanish to learn from their mistakes while enhancing their understanding of the Spanish language. Each of the nine chapters focuses on a grammatical category where English speakers typically make mistakes in Spanish. Each chapter is divided into sections that classify the concepts and errors into subcategories. Full explanations are provided throughout with clear, comprehensive examples and exercises to help the learner gain an in-depth understanding of Spanish grammar and usage. Key features: carefully selected grammar topics and examples based on the most commonly made errors exercises throughout to reinforce learning shortcuts and mnemonic devices providing vital learning strategies a Companion Website available at www.speedupyourspanish.com providing supplementary exercises as well as audio files. Suitable both for classroom use or self-study, Speed Up Your Spanish is the ideal resource for all intermediate learners of Spanish wishing to refine their language skills. Javier Muñoz-Basols is an Instructor in Spanish at the University of Oxford. Marianne David teaches Spanish at the Trinity School in New York. Olga Núñez Piñeiro is Senior Lecturer in Spanish at the University of Westminster.

Strategies to Avoid Common Errors

Combining text with practical exercises and discussion questions to stimulate readers, this textbook covers a wide range of sociolinguistic issues relating to the Spanish Language and its role in societies around the world. This accessible textbook offers students the opportunity to explore for themselves a wide range of sociolinguistic issues relating to the Spanish language and its role in societies around the world. It is written for undergraduate students who have a sound practical knowledge of Spanish but who have little or no knowledge of linguistics or sociolinguistics. It combines text with practical exercises and discussion questions to stimulate readers to think for themselves and to tackle specific problems. In Part One Clare Mar-Molinero discusses the position of Spanish as a world language, giving an historical account of its development and dominance. Part Two examines social and regional variation in Spanish, and investigates dialects, language attitudes, and style and register, particularly in the media. The author also questions the relationship between gender and language. Part Three focuses on current issues, particularly those arising from language policies and legislation, especially in the education system, in Spain, Latin America and the USA.

Presents more than four thousand contemporary colloquial expressions from Spain, Latin America, and the Spanish-speaking community in the United States, with definitions, a sample sentence, and an equivalent in American slang.

The era of official color-blindness in Latin America has come to an end. For the first time in decades, nearly every state in Latin America now asks their citizens to identify their race or ethnicity on the national census. Most observers approvingly highlight the historic novelty of these reforms, but *National Colors* shows that official racial classification of citizens has a long history in Latin America. Through a comprehensive analysis of the politics and practice of official ethnoracial classification in the censuses of nineteen Latin American states across nearly two centuries, this book explains why most Latin American states classified their citizens by race on early national censuses, why they stopped the practice of official racial classification around mid-twentieth century, and why they reintroduced ethnoracial classification on national censuses at the dawn of the twenty-first century. Beyond domestic political struggles, the analysis reveals that the ways that Latin American states classified their populations from the mid-nineteenth century onward responded to changes in international criteria for how to construct a modern nation and promote national development. As prevailing international understandings of what made a political and cultural community a modern nation changed, so too did the ways that Latin American census officials depicted diversity within national populations. The way census officials described populations in official statistics, in turn, shaped how policymakers viewed national populations and informed their prescriptions for national development--with consequences that still reverberate in contemporary political struggles for recognition, rights, and redress for ethnoracially marginalized populations in today's Latin America.

Colloquial Spanish (eBook And MP3 Pack)

Origins and Presence

Colloquial German

América

An epic history of the Spanish empire in North America from 1493 to 1898 by Robert Goodwin, author of *Spain: The Centre of the World*. At the conclusion of the American Revolution, half the modern United States was part of the vast Spanish Empire. The year after Columbus's great voyage of discovery, in 1492, he claimed Puerto Rico and the Virgin Islands for Spain. For the next three hundred years, thousands of proud Spanish conquistadors and their largely forgotten Mexican allies went in search of glory and riches from Florida to California. Many died, few triumphed. Some were cruel, some were curious, some were kind. Missionaries and priests yearned to harvest Indian souls for God through baptism and Christian teaching. There was a frontier world which Spain struggled to control in the face of Indian resistance and competition from France, Britain, and finally the United States. In the 1800s, Spain lost it all. Goodwin tells this history through the lives of the people who made it happen and the literature and art with which they celebrated their successes and mourned their failures. He weaves an epic tapestry from these intimate biographies of explorers and conquerors, like Columbus and Coronado, but also lesser known characters, like the powerful Gálvez family who gave invaluable and largely forgotten support to the American Patriots during the Revolutionary War; the great Pueblo leader Popay; and Esteban, the first documented African American. Like characters in a great play or a novel, Goodwin's protagonists walk the stage of history with heroism and brio and much tragedy.

Powerful and proven, a timeless method to develop your Spanish. Build experience before you ever encounter a native speaker. Prepare for your next adventure by reading bilingual short stories in simple Spanish. 10 short stories written predominantly in the present tense and in a manner spoken throughout Latin America. Making Out In Spanish

(Spanish Phrasebook)

Specially written by experienced teachers for self-study or class use, the course offers a step-by-step approach to written and spoken Spanish of Latin America. No prior knowledge of the language is required. What makes Colloquial Spanish of Latin America your best choice in personal language learning? It is: Interactive - lots of exercises for regular practice; Clear - concise grammar notes; Practical - useful vocabulary and pronunciation guide; Complete - including answer key and reference section. If you'd like to get up and running with Spanish of Latin America this rewarding course will take you from complete beginner to confidently putting your language skills to use in a range of everyday situations.

Making Out in Spanish is a fun, accessible and thorough Spanish phrase book and guide to the Spanish language as it's really spoken. Te adoro! Cuando puedo volver a verte?—(I adore you! When can I see you next time?) Answer this correctly in Spanish and you may be going on a hot date. Incorrectly, and you could be hurting someone's feelings or getting a slap! Spanish classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios but chances are while in a Spanish speaking country you will spend a lot more time trying to make new friends or start new romances—something you may not be prepared for. If you are a student, businessman or tourist traveling to Latin America or Spain and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use Spanish phrasebook makes this possible. Making Out in Spanish has been carefully designed to act as a guide to modern colloquial Spanish for use in everyday informal interactions—giving access to the sort of catchy Spanish expressions that aren't covered in traditional language materials. As well as the Latin script, each expression is now given in phonetics, making pronunciation a breeze. (For example, Buena idea! is also written as BWE-na ee-DE-a!). This Spanish phrasebook includes: Information about Latin American Spanish vs. Spain Spanish as well as regional dialects. A guide to pronouncing Spanish words correctly. Explanations of basic Spanish grammar, such as question forms, male vs. female, formal vs. informal and vowel stress. Complete Spanish translations including phonetic script. Useful and interesting notes on Spanish language and culture. Lots of colorful, fun and useful expressions not covered in other phrasebooks. Titles in this unique series of bestselling phrase books include: Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in Vietnamese, Making Out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English, More Making Out in Korean, and More Making Out in Japanese.
