A credit card is a revolving line of credit allowing the cardholder to make charges at any time,

Page 2/116

up to a specific limit. Each time the cardholder swipes their card, the credit card issuer is lending them the money so they can make the purchase. Unlike a loan,

though, the credit card account has no fixed term.

The Complete Guide to R&D Tax Credit Loans The R&D tax credit loan is still a largely uncharted form of

finance in the UK. This guide will give you all the details you need to understand this new form of alternative finance. It will help you figure out if it can be useful to you

Page 5/116

and get the most out of
your future R&D tax credit
payments.
