

Condo Living A Survival Guide To Buying Owning And Selling A Condominium

Your guide to shelter in most survival situations from a New York Times bestselling author and survival expert. New York Times bestselling author and survival school founder, Tim MacWelch shows us why shelter is our top survival priority in most emergency situations, and how we can provide ourselves with this lifesaving resource. In The Ultimate Guide to Survival Shelters, MacWelch details our risks for exposure (from both the heat and cold) and guides readers through the myriad of options for providing this necessary resource. Learn how to find, enhance, and build shelters in a wide range of environments and survival situations, and learn how to get by with less than you might have imagined. Throughout this detailed handbook you' ll find:
• The shelters you bring with you, including clothing and basic outdoor gear that everyone should carry
• The shelter you find in the wild (like rock overhangs, hollow trees and the right evergreen trees)
• Tarp Shelters (a simple square of plastic or fabric can become dozens of practical shelter styles)
• The shelters you can build from vegetation (sticks and leaves don' t sound like much, but they can become a shelter that protects from the worst of weather)
• Snow shelters, including the ubiquitous igloo, and other snow shelters that are even easier
• Advanced shelters (with the right tools, semi-permanent shelters are within reach, all you need is a plan and building materials)
• Shelter in modern emergencies (your car, office and familiar haunts can become a shelter in a disaster, here' s how to make the most of them)
• Make any shelter better, with these simple tricks and tips for warmth, waterproofing, cooling, pest control, and comfort!
The Ultimate Guide to Survival Shelters will give readers much more than just the knowledge to build a shelter in an emergency, it provides the tools to become a problem-solver and think outside the box in any situation.

Using handy checklists, worksheets, and examples, Davis helps readers face the challenges of deciding whether or not to use an agent, how to find one, estimating a price, and deciding which upgrades are worth making—and which ones are not--to add to their home's value.

Anyone who's unemployed quickly learns that succeeding as your own boss is no walk in the park. While professional freedom has many, many joys, it also involves significant risks. If you' re considering self-employment, or you' re already self-employed, The Self-Employment Survival Guide: Proven Strategies to Succeed as Your Own Boss alerts you to the challenges involved and provides proven strategies for surmounting these obstacles and succeeding. You' ll also learn what you need to put in place before taking the leap to being your own boss to help assure your success. Working for yourself offers personal freedoms and rewards, but the road can curve or travel uphill at times. Here, Jeanne Yocum shares eight key behaviors that impede success and provides proven solutions for the various obstacles that might cross your path, including unreasonable client demands, slow payers, unexpected client defections, daily schedules, health and financial planning, and the feelings of isolation that can sometimes accompany working on your own. Unlike many books that provide only a rose-colored view of self-employment, this book gives a full, realistic view of what being your own boss is actually like. By learning about the ups and downs that come with being in charge of your own livelihood, you will be better able to handle the demands of self-employment and succeed on your own terms.

Chances are when you joined your condominium board you had no idea what was involved. You might have started out as a disgruntled or enthusiastic owner but soon got overwhelmed with lengthy meetings and endless back-and-forth emails and phone calls. It doesn't have to be that way. Becoming a condominium board director can be a rewarding experience. If you are ready to become a happy and stress-free board member while making a satisfying and meaningful contribution to your condominium, then this book is for you. Discover how to: Run your condo board like a business Understand your role as a board member Have short, successful meetings Manage and track work requests with ease Keep your owners informed and happy Create procedures and policies that work Create a strong and supportive community that helps each other Once you understand the fundamentals of running your board and put effective processes and tools in place, you will no longer have to spend countless hours trying to keep up with the complaints and tasks that seem never ending.

The Ultimate Film Festival Survival Guide

Fully updated and revised 4th edition. Essential reading for anyone planning to live or work in the USA and the most up-to-date source of practical information available about everyday life. It's guaranteed to hasten your introduction to the American way of life, and, most importantly, will save you time, trouble and money! The best-selling and most comprehensive book about living and working in America since it was first published in 1992, containing up to three times as much information as similar books!

"Charity offers hope and practical steps through the darkness and difficulty of grief into the light and new possibilities of life." —The Reverend Tracy Fye Weatherhogg Within The Widow's Survival Guide, Charity Pimentel-Hyams, a widow at thirty-seven with children aged five, three, and one at the time of her husband's tragic and unexpected death, takes women through the challenges and triumphs of young widowhood. Throughout The Widow's Survival Guide, women learn: What to do directly after the death of their spouse How to support themselves and handle grieving children, even when they're falling apart What grief can look like and the symptoms it creates How to create an action plan for day-to-day life Strategies to check in with their heart and stay connected to their lost loved one "A brave and deeply human account of embracing unbearable loss . . . powerful medicine for anyone suffering loss." —Robin Winn, LMFT "A heartbreaking journey of myriad emotions, love, and loss. I found myself holding my breath through some of the painfully practical details and advice to widows. The love expressed in this book is tangible, honest and devastating." —Ana-Maria Figueredo, author of The Secret Art of Selling Insurance "Just the right mix of practicality and existentialism . . . anticipates and normalizes the complex emotions associated with early widowhood." —Megan Greenleaf, MD

Three parts sexual license, two parts corporate ladder, with a dash of Monoko Blahnik. If a woman's single years were a cocktail, that would be the future's preferred recipe.

Jenna Fischer's Hollywood journey began at the age of 22 when she moved to Los Angeles from her hometown of St. Louis. With a theater degree in hand, she was determined, she was confident, she was ready to work hard. So, what could go wrong? Uh, basically everything. The path to being a professional actor was so much more vast and competitive than she'd imagined. It would be eight long years before she landed her iconic role on The Office, nearly a decade of frustration, struggle, rejection and doubt. If only she'd had a handbook for the aspiring actor. Or, better yet, someone to show her the way—an established actor who could educate her about the business, manage her expectations, and reassure her in those moments of despair. Jenna wants to be that person for you. With amusing candor and wit, Fischer spells out the nuts and bolts of getting established in the profession, based on her own memorable and hilarious experiences. She tells you how to get the right headshot, what to look for in representation, and the importance of joining forces with other like-minded artists and creating your own work—invaluable advice personally acquired from her many years of struggle. She provides helpful hints on how to be gutsy and take risks, the tricks to good auditioning and callbacks, and how not to fall for certain scams (auditions in a guy's apartment are probably not legit—or at least not for the kind of part you're looking for!). Her inspiring, helpful guidance feels like a trusted friend who's made the journey, and has now returned to walk beside you, pointing out the pitfalls as you blaze your own path towards the life of a professional actor.

A helpful manual for prospective home buyers takes readers step by step through the entire home purchase process, from selecting the right real estate agent and determining financial goals to locating a home that they can afford, offering tips on evaluating mortgages, understanding inspection reports, keeping costs to a minimum, and more. Original.

Provides practical and comprehensive advice on the entire homebuying process, including choosing a real estate agent, researching financial options, and negotiating an offer.

A comprehensive guide for surviving emergencies both big and small Hurricanes. Tornadoes. Floods. Pandemics. Wildfires. Earthquakes. Droughts. Landslides. Trillions of dollars in damages. Billions of people affected. Worldwide shutdowns. Terrorist attacks. Gas explosions. Bridge collapses. Car, train, and plane crashes. These sudden and unexpected events make it feel as if chaos rules the world, but expecting the unexpected can mitigate the damage and loss to you and your loved ones. It pays to be prepared—and to know how to react and respond when disaster does strike. When catastrophe strikes, no matter how big or small, being ready and knowing what to do can be the difference between the loss of life and survival. The Disaster Survival Guide: How to Prepare For and Surviving Floods, Fires, Earthquakes and More shows how to prepare and respond to any crisis, man-made or natural, wherever it might occur and however small or large it might be. Using what has been learned from previous disasters, this indispensable book illustrates how others survived past crises. Critical decisions faced during an emergency are considered: whether to stay or go, where to go, how to stay informed, and more. Covering the basics on food, water and first aid to shelter, security, and self-defense, this informative guide walks readers through the steps it takes to create their own personal emergency action plan. It provides a catalog of the skills, tools, and items needed to endure and overcome a variety of situations and circumstances. It pinpoints hazards unique to different terrains, locations, situations, and settings, too, and it helps identify and understand potential threats. Just as important as learning how to survive the worst is learning how to survive everyday emergencies ranging from bee stings, snakebites, and allergic reactions to house fires, gas explosions, and more. It' s all important, and it' s all in The Disaster Survival Guide. Truly essential, this fact-filled book takes a clear-eyed look at what to do should the worst happen.

The Homeseller's Survival Guide

The Actor's Life

A STEP-BY-STEP, DONT-OVERLOOK-ANYTHING WORKBOOK OF DIY PROJECTS THAT PREPARE HOME AND FAMILY FOR ANY LIFE-THREATENING CATASTROPHE The preparation you make for a hurricane, earthquake or other short-term disaster will not keep you alive in the event of widespread social collapse caused by pandemic, failure of the grid or other long-term crises. Government pamphlets and other prepping books tell you how to hold out through an emergency until services are restored. This book teaches you how to survive when nothing returns to normal for weeks, months or even years, including:
•Practical water collection for drinking and hygiene
•Storing, growing, hunting and foraging for food
•First aid and medical treatments when there's no doctor
•Techniques and tactics for fortifying and defending your home
•Community-building strategies for creating a new society

A completely satirical yet oddly practical guide to surviving and thriving in Canada's westernmost province. So you've arrived in British Columbia. Perhaps you're just passing through; perhaps you want to stay a while. You may even be contemplating making British Columbia your home. What you need is a well-researched, clearly written, and comprehensive guide to living and even prospering in Canada's westernmost province. This isn't it. However, the information contained in this book will allow you to experience British Columbia with minimal damage to your health and well being. Having lived in nearly every province in the country before settling in BC, Ian Ferguson can say with great authority that things work differently here. So differently, in fact, that visitors and newcomers from other parts of Canada may put themselves in physical (or social) peril if they try to dress, act, drive, work, vote, or socialize in the same ways as they would in Ontario, New Brunswick, or (god forbid) Alberta. With practical advice, little-known facts, and personal anecdotes, Ferguson tackles everything from how to recognize a local (and delineate the various types of facial hair that delineate the male British Columbian) to how to survive both natural and unnatural disasters (whether it's a light dusting of snow on the southern tip of Vancouver Island or a full-blown hockey riot) to how BC has been governed through the ages (like the time a bootlegger was put in charge of prohibition). Illuminating, hilarious, and only mildly offensive (if you have no sense of humour), The Survival Guide to British Columbia will make you question why you ever came here in the first place.

Learn the secrets of Starbuck's, Telluride, Slamdance and over 300 film festivals world-wide in this comprehensive and eye-opening guide. Packed with information, this book reveals how to get a film accepted and what to do after acceptance, from putting together a press kit to putting on a great party to actually closing a deal. Includes chapters on The Players (festival directors, agents, PR pros, acquisition experts and others), The Parties (the single most important event at a festival besides your own screening), and The Politics (networking, how a juror thinks, self-promotion). Also contains complete directory listings of hundreds of film festivals, cross-referenced indices, plus resource appendices for screening rooms, affordable video dub facilities, agents for independent film makers, attorney, public relations firms and travel agents.

IF YOU HAVE FRIENDS, FAMILY AND LOVED ONES WHO ARE NOT YET SAVED, YOU NEED TO GET THIS BOOK INTO THEIR HANDS IMMEDIATELY! Christians know that the signs are everywhere that the point to The Rapture as being imminent. From the rebirth of Israel to the ability to communicate worldwide in a matter of seconds, all of the prophecies have been fulfilled except one: Jesus' promised return to take His Bride (the Church) home before the start of the Seven Years Tribulation. In this book, author Jeffrey Harbin lays out in explicit detail how all the pieces are in place, and proves that the Rapture could occur literally at any minute. In what started out as just a letter written for several of his non-believing friends, Harbin not only demonstrates that the Rapture is pending, but also goes into painful detail explaining what non-believers will suffer through during the Seven Years Tribulation. There are 21 separate Judgments which God will inflict upon the earth in a last-ditch attempt to get man's attention. Anyone who misses out on the Rapture due to their lack of belief in Jesus Christ as Lord and Savior now has a guidebook that tells them exactly what to expect during the seven years that follow the Rapture. But all is not lost for those who miss the Rapture. Relying only upon Scripture, this book lays out a simple plan of salvation that everyone can follow to guarantee an eternity in heaven with our Lord Jesus Christ.

A stress-free guide to caring for your biggest investment. For many new homeowners, the euphoria that comes with buying the perfect new house can soon turn into total panic. First-time buyers often feel overwhelmed by the amount of maintenance their new home requires—not to mention the nasty problems and surprises that seem to be lurking around every corner (and in every wall). Finally, author and real estate guru Sid Davis provides the antidote for the common worries that plague every new owner. From easy repairs to seemingly insurmountable projects, readers will discover sanity-saving advice on:
• improving roofing, siding, walkways, and driveways
• fixing or replacing appliances and fixtures
• refinancing tips and traps
• reducing the costs of home ownership and maintenance
• lowering property taxes
• working with contractors and not getting taken
• insurance tips
• budgeting for the unexpected
Owning a home should be exciting, not terrifying. Now with this reassuring guide, novice homeowners can experience all of the joy, and none of the trepidation, that comes with having a place of their own.

Motorhome Living BOX SET 2 IN 1: A Minimalist Living Guide on How to Declutter and Simplify Your Life Fast + Outstanding Life Hacks On How to Earn A Living On A Road.BOOK #1:Minimalist Living.Tiny House or Motorhome Lifestyle?. A Practical Guide on How to Declutter and Simplify Your Life This book will provide some answers and suggestions as to how you can move on in your life. This is a bridge to a new way of life, cross over it and enjoy. We will picture some of the common problems that may arise when assessing your situation and will have a look at those of us who need to downsize the clutter in their homes, but are not contemplating moving on just yet. By the end of this guide you should have an idea of what it entails to down-size your property. It is not just about deciding where you want to live next, but encompasses an emotional part of your life, and the next stage in your personal development. Condo living, living in a car, renting your own home, a smaller house - there are many decisions to be made - and hopefully, this book has provided some useful tips in helping you to make them. BOOK #2:Motorhome Living, Outstanding Life Hacks On How to Earn A Living On The Road This book will offer you some great advice, tips, and suggestions about living full-time in an RV and earning a living while doing so. You will also be given reasons why living in and RV is better than living in a House. You will get some great suggestions on how you can earn a living while you stay in your RV and do some traveling so that you are able to see different areas of the country and get to wake up to a new and different scenery each and every day if you so wish. In this book you will be given an assortment of great tips to help ensure that your experience with living in your RV will truly be a positive time for you on many different levels. Many of us would love to up and hit the road but the one thing that stops most of us from doing this is not having a job that we can up and leave. But in this book you will find suggestions of ways that you can earn a living while you travel. This will make the decision to hit the road a lot more easier if you know that you will be able to make a living while living in your RV. No matter where we go or where we live we still need money to cover the costs of living. Even living in an RV does have costs that need to be covered but most of them will be at a much lower cost compared to those connected with living in a house. Reading this book will at the very least give you the information you need if you are considering trying to live full-time in your RV. The 5-Step plan to how to catch bedbugs, then grab them from the communal pile at school...The young assistant who got them from her new work cubicle...the executive who got them on an overseas flight... It can no longer be denied that the city, the country and the world are in the grips of this epidemic. Jeff Eisenberg and his NYC-based company Pest Away have successfully treated more than 100,000 spaces for bed bugs over the past 15 years. He's the go-to guy for businesses, celebs, and the media--and in THE BED BUG SURVIVAL GUIDE he shares his best strategies, advice and tips for treating and preventing bed bug infestation once and for all. With Eisenberg's advice, readers can lower their risk of bed bug infestation by up to 60%! Or, if they have them they can be sure they are using the right method to get rid of them. The book is divided into ten user-friendly chapters that cover everything, including: Prevention--what to do immediately, daily, weekly and monthly Travel--the 5 biggest mistakes made during hotel stays Life-avoiding bed bugs in unexpected places like the gym, the mall, the movie theater, and on airplanes Treatment--Green? Heat? Cryonite? Fumigation of furniture? Exterminators--hiring one who actually knows what to do.

Chris Webster's handy, informative guide outlines what it takes to become an archaeological technician, a field worker in cultural resource management (CRM) archaeology. Based on his popular blog feature, Shovelbums Guide, Webster offers young archaeologists useful advice about CRM work, including writing, cooking in hotel rooms, hand-mapping, surviving unemployment, life after archaeology, and more. It provides tools new CRM archaeologists need to get hired and to live life on the road in a fluctuating job market, as well as details on how to succeed as a field archaeologist. Appendices cover sample job hunting documents and checklists for fieldwork. If you will be pursuing a position in this dynamic, challenging field, this book is a must-read both before you apply for that first job and once you get one.
