

# Consumer Law Guide

There is a revolution occurring in the delivery of legal services in the United States. Consumers in need of personal and business legal assistance are turning to the Internet to find lawyers, just like they shop online to buy consumer products. Firms that lack a compelling online marketing presence will lose out on clients and revenue. The Consumer Law Revolution will show lawyers how to harness the marketing power offered by branded legal services networks such as Rocket Lawyer, Avvo, LawZam, LexSpot, and many more--and pull in new clients in the process.

Dealer's Guide to Texas Consumer Law

The Consumer Rights Act is a vital and far-reaching piece of legislation containing provisions specific to contract and consumer law, criminal law, and competition law. It sets out a much-needed framework to consolidate the key consumer rights surrounding contracts for goods, services, and digital content, as well as the law relating to unfair terms in consumer contracts. The Act introduces easier routes for consumers and SMEs to challenge anti-competitive behavior through the Competition Appeal Tribunal, as well as confirming enforcers' powers to investigate potential breaches of consumer law. Ultimately, the Act gives civil courts and public enforcers greater flexibility to take the most appropriate action for consumers when dealing with breaches of consumer law. This Blackstone's Guide, written by a team of leading experts in the field, provides clear and concise coverage of the Consumer Rights Act's history, scope, and application. It is the complete resource for anyone looking for an introduction to this wide-ranging Act. The Blackstone's Guide Series delivers concise and accessible books covering the latest legislative changes and amendments. Published soon after enactment, they offer expert commentary by leading names on the scope, extent and effects of the legislation, plus a full copy of the Act itself. They offer a cost-

effective solution to key information needs and are the perfect companion for any practitioner needing to get up to speed with the latest changes.
