

Conversing With God In Scripture A Contemporary Approach To Lectio Divina

J. Kent Edwards recalls a story that late pastor J. Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds. The precious stones were being handled with no regard for their true worth. Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process. Deep Preaching is his call to "rethink" preaching. Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers. He contends that sermons "need not settle comfortably on the lives of the listeners like dust on a coffee table." He encourages preachers to join him in casting off the lines that moor their ministries to the status-quo and make every effort to steer their preaching out of the "comfortable shallows." He urges them to preach deep sermons rather than superficial ones, moving "beyond the yawn-inspiring to the awe-inspiring, from the trite to the transforming."

Lectio divina is an ancient spiritual practice that can help us to hear God speaking to us through the words of Scripture. In recent times, Pope Benedict XVI and a synod of bishops have recommended that lay people pray with the Scriptures using this method. In this book, respected biblical scholar Stephen J. Binz chooses the first Mass reading and the gospel reading for each Sunday in cycles A, B, and C during Advent, as well as for the major feast days in the Christmas season. Then he leads readers through the steps of lectio divina—reading, meditation, prayer, contemplation, and action—by suggesting themes and verses on which to focus.

Nowell maintains that the psalms teach us to tell our story, to cry out our pain, and to give praise to God. They also teach us to listen to the voice of God, the voice of Christ, the voices of the people around us, and the voice of all creation. This book includes questions and exercises for personal reflection, brief prayers for praying along the way, and suggestions for composing one’s own psalm-prayers.

An insightful journey through all the biblical names of God, Jesus Christ, and the Holy Spirit. Beginning in Babel and ending with a burning Babylon, "The Name Quest" explains the significance that the different names for God have for an everyday relationship with God and for spiritual growth. The names of God are like a rainbow--each name expresses part of the spectrum of the character and attributes of God. Along the way, the author tenderly answers tough questions: Which of the Hebrew names of God is His personal name–Yahweh or Jehovah? What does it mean to pray in Jesus ’ name? How can we relate to the Holy God and the Judge? Why is a God of love called the “ Jealous God ” ? What does it mean to call Jesus the Messiah? "The Name Quest" mentions all the names of God in the Bible while explaining their significance in ordinary language. The author weaves together fifteen years of Bible study research with plentiful illustrations and humorous anecdotes. These include lessons learned as a pastor on a Caribbean island. A visit to a Welsh hill farm introduces a chapter about the Good Shepherd. The story of a Hungarian political prisoner illustrates the meaning of Immanuel (or is it Emmanuel?) A rescue from the slopes of an active volcano helps explain salvation and the meaning of Jesus ’ Hebrew name Yeshua. Even the clever advertisement on a packet of potato chips offers a lesson about how to grow in faith in God. Unlike chasing rainbows, the spiritual journey has an end. "The Name Quest" is a road map for every Christian ’ s spiritual journey and it points to the destination--being formed into the image of Jesus Christ.

Talk is essential to human social life. Through conversation we form friendships, share dreams and hopes, and develop a common outlook on the world around us. Talk with God can achieve the same thing. This book examines the conversational prayers in the Hebrew Bible, their structure and content, to understand how talk with God forms friendship, shares dreams and hopes, and develops a Divine-human outlook on the world. Conversation forces the petitioner to surrender control of the encounter and become susceptible to unscripted give and take with the Divine. Conversation with God is always a risk, but the rewards can be great. Through conversation Abraham and Moses became friends with God. The same can be true for us.

Creating Sermons That Go Beyond the Superficial

God made human beings in his image and that is what makes us so valuable. Yet there are vastly different ideas of what the image means and how sin affects the image, and each of those ideas impacts the claim that the image grounds human value. People have treated one another in either horrible or wonderful ways based on their theologies of the image. This book examines the logical implications of various image doctrines in the real world. Also, in Genesis 1:26-27, the image of God is closely tied to the first stated purposes of human life in Genesis 1:28. Yet such practical purposes seem remote from the private spirituality of the gospel story often heard in churches. To live out our part in God’s creation project, we need to understand the image of God within the unfolding story Scripture narrates from creation to new creation. This book builds a theology of the image of God by situating it firmly in the biblical narrative, harnessing the insights of biblical theology, and conversing with theologians past and present to form a coherent story of God, his children, and his creation in this age and the age to come.

The sacred-secular divide permeates our churches, our seminaries, and our lives. By perpetuating the false belief that there are some areas of life that are not important to God, some callings that are second-class, and some spheres of society that are not worth engaging, the sacred-secular divide diminishes our understanding of God, discipleship, missiology, and the gospel itself. Seeking to liberate the global church from the power of this dichotomy, Whole-Life Mission for the Whole Church provides theological educators with the tools they need to combat the sacred-secular divide in the very realm where it is so often generated: the classroom. Filled with contributions from practitioners around the world, this book contains a wealth of insight into both the nature of the problem and the possibilities for its solution. The approaches suggested here are biblically rooted, contextually appropriate, and experientially tested, offering an excellent resource for educators desiring to transform their institutional cultures, curriculums, and classrooms into environments that envision, empower, and liberate the whole church for its role in the mission of God.

"This little book is explosive and powerful." R. Albert Mohler, Jr. When you pray, does it ever feel like you’re just saying the same old things about the same old things? Offering us the encouragement and the practical advice we’re all looking for, Donald S. Whitney, best-selling author of Spiritual Disciplines for the Christian Life, outlines an easy-to-grasp method that has the power to transform our prayer life: praying the words of Scripture. Simple, yet profound, Praying the Bible will prove invaluable as you seek to commune with your heavenly Father in prayer each and every day. Who should read the Bible? What is the biblical word? How is Scripture to be interpreted? How is it to be prayed and lived? How does Scripture call forth the Church's entire life and mission? In October 2008 the Synod on the Word of God in the Life and Mission of the Church took place in Rome. During the synod the bishops addressed these questions on the significance of the Word in the life and mission of the church. Beginning with a helpful explanation of the synod process, James Chukwuma Okoye, CSSp, follows the synod in historical progression, highlighting important topics and issues along the way and concluding with an exposition of the post-synodal apostolic exhortation Verbum Domini, which Benedict XVI signed on September 30, 2010. Okoye emphasizes that the Synod on the Word of God was not just about Scripture's function in the pastoral life of the church but it was also about tradition and God's continuing self-disclosure in history and in the religions and cultures of humankind." James Chukwuma Okoye, CSSp, is the Carroll Stuhlmueeller Professor of Old Testament at Catholic Theological Union, Chicago. His teaching and ministry place him among people of many diverse cultures. Okoye has been Provincial of his Nigerian Congregation of Spiritans and General Assistant in the Congregation's headquarters in Rome. He was a member of the International Theological Commission and a peritus of the 1994 First Synod of Bishops for Africa. "

Scripture in the Church

Based on classic Experiencing God principles, Hearing God's Voice is for those who are ready to listen. Beloved author Henry Blackaby and his son Richard help those who are listening to discern the voice of God, to identify ways He speaks, and to respond to His revelations of His will. God speaks to individuals in ways that are personal and unique to each person. God will never say anything that contravenes what He has said in the Bible, and usually He confirms what He has said. After you learn to listen to God, hearing from God will be as natural as communicating with a close friend.

Why a theology of prayer? Because counterfeit prayer abounds, we need Scripture’s guidance, writes Thomas Constable. Praying as God desires requires considering what God has revealed about it. As we give prayer our careful attention, we gain greater understanding of what he intends it to be. Constable details the different forms of communication God invites us to use. He identifies the counterfeits that pass for prayer, discusses the conditional nature of prayer, and explains why some prayers seem to go unanswered.

If you believe in the transformative power of Scripture in your life, imagine what it can do for others around you! Scripture scholar Stephen Binz has spent the past 30 years working to help Catholics with the "frequent reading" of Scripture through the ancient movements of lectio divina -- listening, meditating, praying, contemplating the Word and witnessing to it. That means reading the Bible fully expecting the Holy Spirit to illuminate the passage we read. Now in Scripture-God's Handbook for Evangelizing Catholics he brings to light the power of scripture to not only renew our lives, but make us living witnesses of the Gospel. Inspired and influenced by Pope John Paul II, Pope Benedict XVI, and Pope Francis, Binz shows us the indissoluble connection between their call to New Evangelization and its necessary connection to the Word of God. Every chapter brings you closer to Christ and closer to His Word as you: Grasp the importance of recovering the evangelical dimension of Catholicism Discover the "hero evangelizers" in Scripture and history Learn to read the Bible as an evangelizing Catholic Understand the key link between lectio divina and the New Evangeliziatiion Identify the obstacles to hearing and witnessing to God's Word today Understand the role of Mary, the Star of the New Evangelization Through Stephen's approachable but thorough coverage of the topic, you'll be prepared to share with the world your joy in the Lord!

In an exceptional combination of an ancient form of Scripture study with historical, theological, and biblical perspectives, Stephen Binz leads us on a journey of enlightenment and appreciation.

Whole-Life Mission for the Whole Church

"I picked it up out of curiosity and I couldn't put it down."--Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God. Yet many might also say that they sense little meaningful relationship with God in their own lives. After all, the foundation of good relationship is communication—but conversation with God often seems to go only one way. We may sing of walking and talking with God in the garden, His voice falling on our ears, but few have heard that beloved voice themselves. Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition: God is always speaking—we've just never been taught how to recognize His voice. Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor. This book deftly bridges the gap between solid biblical theology and practical application, addressing topics such as how to truly pray without ceasing, how to brainstorm with God, how to navigate our emotions, how to answer God's questions, and how to hear God's voice for others. Hearing God in Conversation offers simple, step-by-step lessons on how to hear God. Williamson begins with Scripture meditation. He then expands the practice of listening for that voice everywhere—in the checkout line, on the job, in a movie theater, and even in silence. From there, he demonstrates how to hear God's guidance when making any decision. By the end, readers' eyes and ears will be opened to the limitless methods through which God speaks.

The book is a series of prayers using scripture as the catalyst for the ensuing prayer. In some Christian circles they might be identified as a Collect.

In today's culture of scientific enlightenment, many consider belief in demonic possession and exorcism to be superstitious remnants of the Dark Ages. Even many Christians, contrary to the clear words of Jesus in the Gospel, scoff at the notion that the Devil and demons really exist. Is demonic possession real? Are believers really in any danger from Satan and his crafty minions? What is the truth about exorcism? In this captivating book, you will find answers to these questions and many more. Written by one of the Church's foremost experts on the topic, Interview with an Exorcist is based on Fr. Jose Antonio Fortea's years of working as an exorcist, his extensive investigations of cases of suspected possessions, and his attendance at hundreds of exorcisms. You will learn: The difference between demonic possession, obsession, and infestation What really happens at an exorcism The signs that show when possession is present How to tell the difference between psychological problems and demonic influence Why the number of possessions has been increasing in recent times Why consulting mediums, dabbling in witchcraft, or having recourse to other occult practices is an open invitation to demonic spirits Why the permission of the local bishop is required for an exorcism to occur Why some within the Church disparage this essential apostolic ministry And much more

There are many books about theological exegesis; there are far fewer books of theological exegesis. This volume on the Pentateuch begins a six-volume work of theological exegesis that will span select passages from the whole of the Christian Bible. The aim is to read Scripture according to its theological shape as a witness to the living claim of God upon church and world, made known in Jesus Christ. The theological frame of the Pentateuch is grounded in the freely given promise of God, which gathers not only the people of God but humanity—and the whole creation—into the one purpose of God's redemptive love. Indeed, we live by that selfsame promise today and must struggle to understand and act in our world in light of it. The book and the series are intended for teachers, pastors, students, and readers attentive to the theological and spiritual dimensions of the biblical witness in all its brilliance and mystery.

Deepen Your Understanding of the Church's Liturgy In an exceptional combination of one of the most ancient forms of Scripture study with the history, theology, and scriptural perspective of the Eucharistic liturgy, Stephen Binz leads us on an incredible journey of enlightenment and appreciation. Using the new translation of the Roman Missal, Binz explores the biblical foundation of each element of the Mass, offering 30 lessons to deepen love for the Eucharist, moving readers through study, reflection, prayer, and action. Lectio divina, the ancient practice of Scripture immersion, is at the heart of this process. Combined with the tradition and scholarship of the Church, it explores complex topics with sequential steps of study, meditation, and internalization. Specifically, every chapter leads you forward through a sequence of: Listening -- Reading Scripture with expectancy, trusting that God will speak His Word to us through it Understanding -- Seeking to comprehend the meaning of the text, encountering God there and being changed by that encounter Reflecting -- Linking the truth of the Scriptures to the experience of faith in the world in which we live Praying -- A dialogue with God: we listen to God, then we respond in prayer Acting -- After prayerfully listening to God through a passage of Scripture, we should be inspired to make a difference in the way we live The Lectio Divina Bible Study series is suitable for parish, small group, or individual use.
