Step-by-step technicals: Photos and accompanying text help students visualize procedures as they move through every step of a process. The easy-to-follow format significantly raises self-confidence, making a seamless transition to hands-on applications. Real-life scenarios: On the last page of every chapter, we offer students a chance to apply their new knowledge.

Hypothetical scenarios require students to use decision making skills mastered in that

chapter. It is a chance for students to mentally leave the classroom and envision themselves as successful professionals. Key concepts: Throughout each chapter, we use imaginative ways to call attention to key points. Look for colored text, bold print, bullets, and charts. These relate to important theories your students must remember and makes chapter review for tests much easier! Learning strategy: More complex technicals include a checkmark beside any step that calls for specific safety precautions. This indicates an ideal moment to check on a client's comfort level. - Publisher.

Milady Standard Esthetics: Fundamentals

3rd Edition 3-book set (textbook, study guide and exam prep)

Milady's Standard Esthetics Fundamentals, International Edition is an introductory text for students who are enrolled in an esthetics training course up to 600 hours. The text is designed to deliver a complete overview of all of the information necessary to introduce a newcomer to the world of professional skin care, including human anatomy, chemistry, electricity, skin analysis, conditions and disorders. Learners are given a comprehensive tour of the most well-known, best-used treatment techniques and services requested by clients: facial massage, the use of facial machines, hair removal, advanced topicals and makeup. The material covers the history of and the opportunities in Esthetics, as well as how to create a competent and lasting professional image and effectively communicate for success in the skin care business. The text prepares the learner for management of the skin care business operations and successful retailing of products and services.

Readers will value this detailed guidance in helping them prepare for success on the practical portion of the cosmetology licensing exam. The discussion of requirements for most states gives future professionals critical exam information, and practical skills areas help future professionals understand their level of psychomotor skills.

Worksheets, sample tests, a discussion of common mistakes, and tips and techniques promote confidence on exam day. Readers also will learn how to properly pack kits in preparation for the exam. While the content is deep, the reading is light and easy to follow. And, fictional characters in the text lead the student through the procedures, giving excellent advice throughout.

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waivered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers.
