Without doubt, Creating a World Without Poverty: Social Business and the Future of Capitalism is an inspiring book. I did not have a specific expectation of the book, when I started it - having known about the Grameen initiative and its activities. I started reading this book as a part of a course that I am doing (required reading).

In Creating a World Without Poverty, Yunus defines the problem, offers a solution, and challenges the rest of us to make it work or come up with something better. But first, he

says, we must imagine a world without poverty.

### **Creating a World Without Poverty: Social Business and the ...**

Profits generated by businesses should be used for outreach activities for the benefit of the poor and the community. This is the concept of social business and is well expounded in the book, *Creating a World without Poverty*. The book describes a non-profit roadmap for releasing the poor people from the burden of poverty by empowering them to earn.

### **Creating a World without Poverty - Read a Free Review ...**

Now, in *Creating a World Without Poverty*, Yunus goes beyond microcredit to pioneer the idea of social business--a completely new way to use the creative vibrancy of business to tackle social problems from poverty and pollution to inadequate health care and lack of education. This book describes how Yunus--in partnership with some of the world's most visionary business leaders ...
