Curious George Goes to the Dentist is a children's book adapted from the film series.

[Curious-George-Goes-to-the-Dentist—|Curious-George-Wiki—](#)

CURIOUS GEORGE is an animated series based on the popular books by Margret and H.A. Rey and airs daily on PBS KIDS. Aimed at preschool viewers (ages three to five), the goal of the series is to inspire children to explore science, engineering, and math in the world around them. And what better guide is there for this kind of exploration than the world's most curious monkey?

Parents need to know that Curious George Goes to the Hospital is the last of the original Curious George books by H.A. Rey and Margret Rey. The adorable little monkey must be admitted to the hospital after he eats a puzzle piece. The book describes the way the hospital staff discover what happened to George and what it's like for George to be in the hospital, but there's no detail about the procedure to remove the puzzle piece.
