April 6, 1940,
explorer and

seventy years
later, in the same

their quests: the

Ciudad Blanca,
buried somewhere
deep in the rain
forest on the
Mosquito Coast.
Imagining an
immense and
immaculate El

he called the Lost

Armed with

Cindy Henson's
Jungle: A Journey to
Peace, Purpose, and
Freedom is much like

Pray Love - except for the corporate leader. Nearly two decades into her corporate career, Henson was awakened to a lifelong addiction to overworking and "taking one for the team" by a debilitating illness, which led her to the jungle of Costa Rica to pursue a

master's degree in
International Peace
and Conflict Studies
from the United
Nations-Affiliated,
University for Peace.
In her renewed
approach to life, she
integrates laughter,
adventure, generosity,
and love into all that
she does at work and
in her personal life.

Page 115/135

She shares how nearly everyone can discover and authentically express their natural gifts and talents so that the world is continually transformed, as well.

In *Jungle*, she introduces *The Seven Principles to Peace, Purpose, and Freedom* the manifesto by

which she approaches
all aspects of life. 1.
Tap into Your Fun
Quotient! 2. Resolve
Past Issues and
Release Your Brain
Power! 3. Discover
what Juices You and
Pursue It! 4. Activate

5. See Your

to be Unstoppable!

Jungle reminds us that
the old ways of
violence in family,
business, and politics
must give way to new
ways of relating built
on peace, purpose, and
freedom. Additionally,
Cindy explores: work-
life balance, career

Page 118/135

change &
transformation, heart-
centered leadership,
and more. Cindy takes
readers deep inside
her personal
transformation from
an overworked,
overwhelmed
executive to a woman
who has broadened
her horizons and now
understands that the

Page 119/135

approach of people
over profits is what
ails the world, and that
the triple bottom line-
people, planet, and
profits- is a much
better equation for
success for all.
