Didn T It Rain

Didn't It Rain has some old songs (St Lous Blues, Vicksburg Blues, I Hate a Man Like You, Careless Love) and a lot of new ones. All done in an easygoing New Orleans jazz style. I'm always taken by Jean McClain's vocals so end up repeating "Send Me to the 'Lectric Chair" and "I Hate a Man Like You" until family members get tired of them.

Didn't It Rain is Jason Molina's first perfect record. Recorded live in a single room, with no overdubs and musicians creating their parts on the fly, the overall approach to the recording was nothing new for Molina. But something in the air and execution of Didn't It Rain clearly sets it apart from his existing body of work.
