8 Best Nutrition Books to Take Charge of Your Health. By: Rebecca Paredes. February 10, 2020. Tons of nutrition books claim to hold the secrets to weight loss, anti-aging and overall wellness.

8 Best Nutrition Books to Take Charge of Your Health ...

The Bulletproof Diet is essentially a zero omega-6 diet - as low as possible. (my blood 6:3 ratio is 1.5:1). People who eat more of just any fat are not on the BP diet! You've suggested the idea that people will crave carbs after long periods on the diet, but the opposite is true -

cravings go away, all of them, and stay away.

Is the Bulletproof Diet actually healthy? - Quora

A healthy diet should provide us with the right amount of energy (calories or kilojoules), from foods and drinks to maintain energy balance. Energy balance is where the calories taken in from the diet are equal to the calories used by the body.
