An RV
refrigerator has

Page 42/120

special features that make sure the refrigerator is safely and securely closed, even while driving in rough terrain with your RV. There are also safety features that, for instance, will

Page 43/120

automatically
switch over to
using LP Gas for
power when
there is no
longer any AC
electricity
(generator
power or shore
power).

owners.

An RV refrigerator has special features that make sure the refrigerator is safely and securely closed, even while driving in rough terrain with your RV. There are also safety features that, for instance, will automatically switch over to using LP Gas for power when there is no
