Triumph Sprint ST - Wikipedia

The Triumph Sprint ST is a sport touring motorcycle manufactured in the United Kingdom by Triumph between 1999 and 2010. Sporting a 1050cc 4-stroke three-cylinder engine, an alloy-beam frame and a single-sided swingarm, the Sprint ST competed effectively in the market against the Honda VFR800. In 2010 the Sprint ST was succeeded by the Triumph Sprint GT.

Triumph Sprints for Sale | Used Motorcycles on Oodle ...

Overall Rating 4 out of 5. The Triumph Sprint RS is similar to the better selling Sprint ST but with a cheaper and lighter conventional swingarm, less plastic, firmer suspension, sharper geometry and a different exhaust. The Triumph Sprint RS is a great buy if you don't mind it looking like a SV650S.

TRIUMPH SPRINT RS (1999-2004) Review | Specs & Prices | MCN

thanks to decent winter kit and the Sprint RS's solid attributes, I got back in one piece and none the worse for my ordeal. The days in the saddle gave me plenty of time to suss out the Sprint RS. Here was a solid, capable machine which shared most of its bits with the more expensive Sprint S - the ally beam-frame was the same and so was the motor.

Used Review: Triumph Sprint RS | Visordown

Triumph Group Test: Sprint RS. With the punchy, fuel injected 955 engine lifted from the Daytona and re-jigged to produce more mid-range oomph, plus higher handlebars, wider saddle and a more protective fairing, the Sprint ST has plenty going for it. If you like sports-touring biking half faired, try the RS option.

Review Triumph Sprint RS

The Sprint RS is a half-faired variant of the Sprint ST sports tourer. Cheaper than the ST, it is

aimed at riders who want a sportier ride than the ST, but with the good road manners of the Sprint chassis and engine. The chassis is largely the same as the ST, with the exception of the swingarm: the RS wears a cheaper,...
