calculated shift in Subaru ' s passenger car range towards sophisticated metropolitan market success, which was recognised by a long series of automotive awards.

Subaru Australia's new managing director, Christian Dinsdale, said that the

Liberty has been a pivotal part of the brand's Australian success. "While customer preferences have moved on to other vehicles in our range, Liberty has played a hugely influential role in the brand's growth and reputation for engineering, safety, durability and

because it is new car
buyers with SUV choices
that are doing the
decision making.
