

Draping For Apparel Design 2nd Edition

Draping for fashion design is the process of positioning and pinning fabric on a dress form to develop the structure of a garment design. A garment can be draped using a design sketch as a basis, or a fashion designer can play with the way fabric falls to create new designs at the start of the apparel design process. After draping, the fabric ...

Draping for Apparel Design: Helen Joseph-Armstrong ...

Draping is the art of clothing arrangement loosely or casually on or around dress form. In fashion designing, fashion draping is the main part of garment design. Fashion draping is the process of positioning and pinning fabric on a dress form to develop a clothing design into a three-dimensional form.

Fashion Draping: The Art of Clothing - Fashion2Apparel

Projects begin with a draping plan and fashion drawing to identify its creative elements, and determine the draping technique required. The author describes the drape of the basic dress and its relationship to every garment in a clothing collection, emphasizing the drape of foundation garments as a base to building more complex design.
