The Dremel 3000 in particular is popular with many hobbyists due to being lightweight and user friendly all around the house, studio, workbench and workshop. I recommend choosing a corded one rather than a rechargeable model. With a higher Speed (RPM)

capability, and higher torque it shines through. Also, If you're anything like me you may come ...

The Dremel 3000 in particular
is popular with many hobbyists
due to being lightweight and
user friendly all around the

house, studio, workbench and workshop. I recommend choosing a corded one rather than a rechargeable model. With a higher Speed (RPM) capability, and higher torque it shines through. Also, If you're anything like me you may come ...
