Most of the music in this anthology has some connection with stringed instruments, either the violin itself or one of its forerunners such as the rebec, medieval fiddle or viol. Significantly, all the pieces seem totally at home on the violin / and of course the player's own vitality and enthusiasm are far more important than historical accuracy.

Early Music Fiddler Violin Part Huws - [infraredtraining.com.br](http://infraredtraining.com.br)

A native Germanic ancestor of fiddle might even be the ancestor of the early Romance form of violin. In medieval times, fiddle also referred to a predecessor of today's violin. Like the violin, it tended to have four strings, but came in a variety of shapes and sizes.

### Honeysuckle Music - Fiddle

Centuries before the creation of the violin there was the medieval fiddle, also known by its French name, the vielle. This brief introduction demonstrates that the playing style and sound of the medieval fiddle had more in common with the hurdy gurdy and the crwth (bowed lyre) than the modern violin.
