Introduction by the Pleiadians We call ourselves Pleiadians. And by way of an introduction, let us say that we are journeyers through time and multiple dimensions. We are a curious group intent upon exploring the nooks and crannies of existence, traipsing over cosmic hill and dale in search of answers to the majestic mysteries of life. All of existence is a vast web of energy, and there are seemingly endless and dazzling directions, connections, events, and entertaining diversions to explore. However, at present we are most earnestly focused on a specific place and time - Earth from the year 1987 through 2012 and after... It appears that during this period this location safeguards the probability of a triumphant achievement where, for a short while, some of the majestic mysteries of life are realized and revealed. We are here to observe and participate in the greatness of this event. Our perspectives are multidimensional in range and scope, for we are a wondrous collective of conscious energies who are intentionally expanding our beliefs about the nature of existence throughout many points in time. The heavens are filled with life, and in our search for knowledge and greater understanding of who we are, our journey has led us to you. Earth is currently experiencing a tumultuous transformation of consciousness, the likes of which you have no

recorded historical precedent for. Yet, within the corridors of human cellular memory, many images stir with a hint of strange familiarity. You are deeply immersed in a time of critical change; humanity is poised at the threshold of a new understanding of cosmic power. Naturally, many of us wonder what you will do with this knowledge. In other epochs of time, the nature of this power has been misunderstood and subsequently misused, inevitably leading the way to your self-destruction. Nevertheless, the immense cycles of living and seasons of learning continue to patiently offer the same lessons, for while life may appear to be destroyed, consciousness is ever enduring and only changed in form. Humanity is rapidly approaching the edge of the great cosmic cliffs of consciousness. What you do now, the choices you make, will determine a course of experience more complex and astounding than you can currently imagine. The dawning of a new revolution in consciousness is at hand. You cannot escape the necessity to manage this power: now or ever. In light of our adventurous spirit, we are here to share our perspectives on your rapidly changing lives, and to offer our support, as well as a few timely suggestions on managing the massively accelerated energies that silently stir your planet. The Pleiadians

The Pleiadians are moving into a new era. Through the opening of a new multidimensional timeframe, a pure light frequency has activated the sacred timing of an important aspect of their commitment to us as a human race. This

is what the Pleiadians refer to as fulfilling the Promise that was set in place lifetimes ago. Now is the time for them to reveal to us as a human race the sacred aspects of who we are and what we need to do to become fully realized and fulfill our role on our Earth plane. The energy of this Promise holds the key to our further awakening and the unfolding of our self-realization process on a multidimensional level. This Promise activates the revelations of understanding and knowledge to be given to all those who are seekers of Truth--information that will help us to understand this transition and the role we need to play to fully open ourselves to our magnificence. A series of blessed revelations align you to a deeper natural aspect of your own humanness and spirituality. The Pleiadian Promise also includes six channeled audio files that give you a direct experience with the Pleiadians through multidimensional levels of light initiations.

At long last, here is the paperback edition of beloved columnist and author Susan L. Taylor's bestselling collection of spiritual writings on overcoming the challenges of everyday life. Revealing the spiritual lessons Susan has learned first-hand from grappling with the challenges and difficulties in her own life, *Lessons in Living* is a celebration of the journey of life that has already become a classic. Written in the anecdotal style that has made Susan's "In the Spirit" column the most popular feature of *Essence* magazine, *Lessons in*

Living addresses the themes that have been her unique territory for over a decade: self empowerment, the exploration of love and self-worth, and issues of faith and commitment.

The twelve archangels of the central soul are God's messengers bringing the message of ultimate freedom for all humanity. This guide to angels includes a CD with music, readings and guided meditations.

This book was written as a message to the 144,000 chosen beings of the Earth and the ones that intend to help them in their path. Commonly known as Indigo, Star Seeds, Crystal Beings, Rainbow Beings, or more simply as Bodhisattvas, they are on planet Earth to uplift it and help humans in the transition to the next stage of spiritual development. And so, in regards to this topic, the content presented details how such development must occur, how one can take the necessary insights to strengthen himself in this path and how the planet must change in the following decades to come. Written as a manifesto, this book approaches several important topics, regarding how to deal with human beings and educate them, how to attract more

happiness and abundance, and also how to develop more wisdom and acquire knowledge about universal truths.

Spiritual seekers everywhere know it: the world is changing rapidly. The old rules don't apply. The more open we are to guidance the more guidance will come to us. The guidance in this book teaches us how to recognize the interdimensional energies in our 3D world. As governments shift, economies are pruned, and systems fail, here are hopeful instructions for how celebrate the failure of the old as it makes way for the new, how to balance our energy and that of the planet, and how to meet the future which is now.

Introduction by the Pleiadians Greetings, dear friends. It is our distinct pleasure to partake of your reality once again, and to journey with you for a while on the road to adventure and self-discovery. "What journey?" you may rightly ask, for it may seem that you are traveling in circles, and the idea of a great adventure in your life is a far cry and distant dream from the daily dogma and relentless burdens of living you face. Nonetheless, allow us to accompany you for a while, as companions offering to entertain you and enliven your step as we point out the sites and symbols along the way. We are storytellers extraordinaire, or so we've been told, and we too have traveled in seemingly endless circles, so we have much in common. Our destination is the same as yours, for we are you in another version and form of reality, as deeply entrenched and entrapped as you believe yourselves to be. What sort of paradox is this? And who indeed are we, claiming kin to you and yours? And why do we desire to journey with you? Well, these things you must decide for yourselves. We relate great tales and relish a resplendently irreverent good humor, all intended to figure things out, in all due respect, as best we can. We strive to make sense of existence, gathering multidimensional pieces of a

puzzle into a form and shape that encompass untold and unrecognized societies. "How can pieces of a puzzle be multidimensional and what is multidimensional anyway?" We can hear your questions now, and we guarantee that you will have many more before the journey is complete. So we ask, may we join you and enter your reality by invitation? For it is through your beckoning and with your permission that we spring forth as a part of your life. Feel into the depths of your being before you respond. Seek inside for an answer, for to invite us into your reality as friends and companions will with certainty confound and change your lives, and perhaps some of you are quite content with where you are. Perhaps you are not really interested in multi-dimensional realities and perceive these ideas as vague notions and tidbits of unfounded fiction, fracturing and fragmenting a logic you paid so dearly to achieve. If that is the case, then you may do well to stop short now, and put our tale aside. Perhaps in another time and place, we will meet again. If, however, we have piqued your curiosity and you feel compelled to continue, so be it. It is best to start with the truth. As a matter of fact-if there is such a thing-it is best to end with the truth as well. "And how about the middle and all along the way?" you may ask. Well, the truth is essential throughout the journey; however, the ongoing paradox invariably involves your point of view. Remember that. Now we are travelers through time, which is the best way to describe us. We call ourselves Pleiadians, though we answer to many names and characters. We are as real as you believe yourselves to be. When we encounter you, we meet ourselves located on a slice of time, poised, as you believe, in a solid physical 3-D world. You fascinate us, and perhaps by the end of our travels and tales, you will be fascinated with yourselves as well. For now the task of telling is at hand, and so the tale begins.

### Redefining Duality, 2012 and Beyond

When reincarnating, do we have a short spell in a disembodied phase? Hypnosis reveals what goes on.

The Earth Chronicles series is based on the premise that mythology is not fanciful but the repository of ancient memories; that the Bible ought to be read literally as a historic/scientific document; and that ancient civilizations--older and greater than assumed--were the product of knowledge brought to Earth by the Anunnaki, "Those Who from Heaven to Earth Came." The 12th Planet, the first book of the series, presents ancient evidence for the existence of an additional planet in the Solar System: the home planet of the Anunnaki. In confirmation of this evidence, recent data from unmanned spacecraft has led astronomers to actively search for what is being called "Planet X." The subsequent volume, The Stairway to Heaven, traces man's unending search for immortality to a spaceport in the Sinai Peninsula and to the Giza pyramids, which had served as landing beacons for it--refuting the notion that these pyramids were built by human pharaohs. Recently, records by an eye witness to a forgery of an inscription by the pharaoh Khufu inside the Great Pyramid corroborated the book's conclusions. The Wars of Gods and Men, recounting events closer to our times, concludes that the Sinai spaceport was destroyed 4,000 years ago with nuclear weapons. Photographs of Earth

from space clearly show evidence of such an explosion. Such gratifying corroboration of audacious conclusions has been even swifter for *The Lost Realms*. In the relatively short interval between the completion of the manuscript and its publication, archaeologists, linguists, and other scientists have offered a "coastal theory" in lieu of the "frozen trekking" one to account for man's arrival in the Americas--in ships, as this volume has concluded. These experts have "suddenly discovered 2,000 years of missing civilization" in the words of a Yale University scholar--confirming this book's conclusion--and are now linking the beginnings of such civilizations to those of the Old World, as Sumerian texts and biblical verses. For the first time, the entire *Earth Chronicles* series is now available in a hardcover collector's edition.

A wealth of evidence for doubters and disbelievers "Whether it's the latest shark cartilage scam, or some new 'repressed memory' idiocy that besets you, I suggest you carry a copy of this dictionary at all times, or at least have it within reach as first aid for psychic attacks. We need all the help we can get." -James Randi, President, James Randi Educational Foundation, [randi.org](http://randi.org) "From alternative medicine, aliens, and psychics to the farthest shores of science and beyond, Robert Carroll presents a fascinating look at some of humanity's most strange and wonderful ideas. Refreshing and witty, both believers and unbelievers will find this compendium complete and captivating. Buy this book and feed your head!" -Clifford Pickover, author of *The Stars of Heaven* and *Dreaming the Future*

"A refreshing compendium of clear thinking, a welcome and potent antidote to the reams of books on the supernatural and pseudoscientific." -John Allen Paulos, author of Innumeracy and A Mathematician Reads the Newspaper "This book covers an amazing range of topics and can protect many people from being scammed." -Stephen Barrett, M.D., quackwatch.org Featuring close to 400 definitions, arguments, and essays on topics ranging from acupuncture to zombies, The Skeptic's Dictionary is a lively, commonsense trove of detailed information on all things supernatural, occult, paranormal, and pseudoscientific. It covers such categories as alternative medicine; cryptozoology; extraterrestrials and UFOs; frauds and hoaxes; junk science; logic and perception; New Age energy; and the psychic. For the open-minded seeker, the soft or hardened skeptic, and the believing doubter, this book offers a remarkable range of information that puts to the test the best arguments of true believers.

Embraced worldwide as key spiritual teachers of our times, the Pleiadians are back, with another bold and controversial look at our highest purpose on Earth. Earth: Pleiadian Keys to the Living Library is their handbook to inspired living, calling on us to restore and return value to the human being, and to recognize the Goddess energies and the power of blood as connections to our DNA and our heritage. Using wit, wisdom, and deep compassion, they entice us to explore the corridors of time through the concept of the Game Masters; to awaken the crucial codes for multidimensional perspective; and to

redream the Living Library of Earth. Their teachings are significantly arranged in twelve chapters to trigger a deeper understanding of our ancestral lineage. Earth probes the memories hidden deep within us to reveal our crucial roles in the transformational process unfolding in our times.

Noted astrologer and spiritual teacher Barbara Hand Clow channels the voice of Satya, a Pleiadian goddess. Satya describes the huge cosmic drama taking place simultaneously in nine dimensions, with Earth as the chosen theater. The Pleiadians are a group of enlightened beings who believe that the end of the Mayan Calendar will signal a critical leap in human evolution; the Pleiadians will be there to guide us for that leap. This shift is the coming Age of Light, and the entry of our solar system into the Photon Band and the Age of Aquarius.

"If I could but lift one robin into its nest again, I shall not have lived in vain." This is truth, my dear friends. There is a purpose to your life, and you will find it before you leave the Earth, without question. There's no way you can escape yourselves. Some have come here to finish karmic relationships. Some have come here to

discover that there is beauty in ugliness and vice versa. Some have come here in an exploration of abundance and what this means. On and on the lessons go! The planet Earth is a canvas, you are the paintbrush and your heart is the paint with which you color the planet -- with your words, with your hands, with your heart, with your hugs and with your kisses. God bless you, indeed! -- Dr. James Martin Peebles In the pages that follow, I hope you enjoy a glorious journey to the heart, for as Dr. Peebles says, "It is a joy and blessing when human and Spirit join together in search of the greater truths and awarenesses." Enjoy the exploration of you as you journey into the pages of this book. I am simply a vessel through which Spirit speaks. whatever conclusions you come to, that is the clarity of you, and that's beautiful. -- Summer Bacon

Solara An-Ra narrates her fascinating life story in which, aged four, she makes a contract to be a "Pleiadian Emissary to Gaia." This soul agreement brings great challenges in her early years as she, like so many humans, struggles to remember and fulfil her mission in this incarnation. This frank, unabashed, and at times hilarious account of the highs and lows of Solara's path of spiritual awakening makes for a joyful and compelling read, even more captivating because of many photos accompanying the journey. The fact that there is immense spiritual power woven throughout her chronicle can almost be forgotten in the pleasure of the ride. We are invited to voyage alongside her as she yoyo's between her everyday existence and the captivating world that opens as she becomes a channel for the star people. More than a book, this is a portal into the invisible dimensions that are as much a part of your reality as the world you see around you. Immersing yourself in this "journey between worlds" necessitates that your way of perceiving Earth life expands past the limiting confines of what you have been taught. The story Solara shares here, with her characteristic sense of humour and honesty, is a reminder to all of us that the universe has a few tricks up its sleeve when it comes to waking us up. It will invariably shake us out of our complacency by landing us in the eye of the hurricane - and just when we think all is lost, we find a way into the peace and power which is our birth-right. Through Amora Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. A step-by-step tour through our spiritual home in the Pleiades

- Recounts the author ' s spiritual trials to reach the highest levels of her soul ' s celestial mansion and her encounters with immortal wisdom teachers such as White Buffalo Woman, Taliesin, Mother Mary, and Grandmother Spider
- Includes lessons to help jettison fear and jealousy so we can continue our ascension to higher consciousness
- Offers a prophetic glimpse into the future of life on Earth, how our planet is the key to conscious evolution, and humanity ' s divine role as Keepers of Earth

Inviting each of us to discover our spiritual home in the higher realms, Mary Beben provides a visionary tour of the celestial mansion of her family in the Pleiades, a home she inhabited prior to this incarnation on Earth. She explains how transitioning into materiality causes each of us to forget our starry origins, yet it is still possible to remember our Pleiadian heritage and divine reasons for choosing to manifest on Earth. Beben details her initiatic journey as she rediscovered the beautiful rooms on each floor of

her Pleiadian house and learned to ascend to higher consciousness while remaining lovingly rooted in the Earth. She recounts her trials to reach the higher levels of the building and her encounters with immortal wisdomkeepers such as White Buffalo Woman, Taliesin, Mother Mary, and Grandmother Spider. Embedded throughout her story are lessons to help each of us jettison psychological baggage like fear and jealousy so we can continue our ascension and fulfill our Pleiadian birthright. Beben explains how her journey offers a prophetic glimpse into the future of life on Earth as well as the key to opening the heart to the higher realms of existence. She shows how ascension will not mean departing Earth but will place our Earthen reality in perspective and help solve problems that seem insurmountable from this dimension. In rediscovering the celestial origins of our souls, we recognize not only the Earth as the key to conscious evolution but also our role as the Keepers of Earth, the planet celebrated throughout the universe on which each of us is fortunate to have chosen incarnation.

She set out on a journey to find home, and ended up finding two. Which one will she choose? Anya Allen has always felt out of place on Earth and strangely felt more connected to the stars. Stargazing has been a life-long hobby for Anya but there is one constellation she favors above all others; Pleiades. As befuddling as this connection was, she still spent years convincing herself everyone felt just as lost in the world. But at 30-years-old, her strongest desire to belong takes her on a journey to discover who she really is and her true place in the Universe. As her online research awakens her introspective curiosity, she discovers truths about the star cluster that evokes a possibility she only vaguely suspected; she might not be from planet Earth. How can that be? Motivated to get answers,

Anya seeks assistance from a duo of lightworkers, who introduce her to metaphysical travels that will shoot her to the one place she had only ever imagined. As her abilities to move between two worlds intensifies, so does a budding romantic bond with one person who knows and accepts her better than anyone, Sam. Suddenly, Earth was feeling like the home she had always yearned for. Their deepening love threatens to disrupt Anya's desires to visit a world unknown and find the place she truly belongs. Through a series of interstellar travels, Anya finally finds the home she has always longed for but which world is she actually destined to live in?

The crowning work of the best-selling Earth Chronicles series • Reveals the existence of physical evidence of alien presence on Earth in the distant past • Identifies and describes the demigods, such as Gilgamesh, descended from these visitors • Outlines the tests of this physical evidence of alien presence that could unlock the secrets of health, longevity, life, and death In whose genetic image were we made? From his first book The 12th Planet on,

Zecharia Sitchin has asserted that the Bible 's Elohim who said " Let us fashion The Adam in our image and after our likeness " were the gods of Sumer and Babylon--the Anunnaki who had come to Earth from their planet Nibiru. The Adam, he wrote, was genetically engineered by adding Anunnaki genes to those of an existing hominid, some 300,000 years ago. Then, according to the Bible, intermarriage took place: " There were giants upon the Earth " who took Adam 's female offspring as wives, giving birth to " heroes of renown. " With meticulous detail, Sitchin shows that these were the demigods of Sumerian and Babylonian lore, such as the famed Mesopotamian king Gilgamesh as well as the hero of the Deluge, the Babylonian Utnapishtim. Are we then, all of us, descendants of demigods? In this crowning oeuvre, Zecharia Sitchin proceeds step-by-step through a mass of ancient writings and artifacts, leading the reader to the stunning Royal Tombs of Ur. He reveals a DNA source that could prove the biblical and Sumerian tales true, providing conclusive physical evidence for past alien presence on Earth and an unprecedented scientific opportunity to track down the " Missing Link " in humankind 's evolution, unlocking the secrets of longevity and even the ultimate mystery of life and death.

A Collection of Strange Beliefs, Amusing Deceptions, and Dangerous Delusions  
A New Cosmology for the Age of Light

This is a revised and expanded edition of Barbara and Gerry Clow ' s classic 2004 text. This sequel to the bestselling underground classic *The Pleiadian Agenda* outlines their theory of the nine dimensions of human consciousness and how those nine dimensions have become essential to our evolutionary survival. Incorporating the research and insight of the Swedish biologist Carl Calleman, the Clows demonstrate how recent scientific discoveries validate their theories. The existence of the nine dimensions of human consciousness can be proved by science. The most controversial aspect of this book is their exploration of the Mayan prophecies. Counter to much of the prevailing opinion, the fulfillment of the prophecies will not result in the Apocalypse, but will usher in a new and expanded era of human consciousness. They also assert that the beginning of this new era begins not on December 21, 2012—but on October 28, 2011—making the time of the great shift in consciousness just around the corner. Provocative and informative, the Clows have provided an explanation and roadmap for the future. It will be embraced by all who are interested in the evolution of human consciousness.

Compiled from more than four hundred hours of channeling by Barbara Marciniak, Bringers of the Dawn imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become

media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.

With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of The Book of Earth, which comprises all human

experience. While “ our world goes belly-up in these most absurd of times, ” they offer us “ tools for survival. ” During the crucial period between 1987 and 2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: “ You shall change, you will change, you must change, because this is the season of change. ”

They came to Earth thousands of years ago to usher in mankind's first New Age of scientific growth and spiritual enlightenment. Under the guidance of these ancient visitors from the heavens, human civilisation flourished - as revolutionary advances in art, science and thought swept through the inhabited world. And they left behind magnificent monuments -- baffling monoliths and awesome, towering structures that stand to this day as testaments to their greatness. In this extraordinarily documented, meticulously researched work, Zecharia Sitchin draws remarkable correlations between the events that shape our civilisation in millennia past - pinpointing with astonishing accuracy the tumultuous beginning of time as we know it . . . and revealing to us the indisputable signature of extraterrestrial god indelibly written in stone.

The Sumerian civilization is the oldest known human civilization on Earth. Their divine beings were known as the Anunnaki which in Sumerian signifies "Those Who from Heaven to Earth Came". It bloomed out overnight around 3800 BC in Mesopotamia the land between the two rivers Tigris and Euphrates, and arrived at a sudden end in 2024 BC when it was devastated by a dangerous radioactive cloud brought by easterly breezes from the Sinai peninsula, where as indicated by some ancient records an atomic war occurred. The gigantic dark scar on the Earth in the south-eastern part of the Sinai peninsula, and the darkened stones that hint at being in a flash softened by extraordinary heat. There is more proof, Higher than typical levels of radioactivity have been found in the Dead Sea, the site of Sodom and Gomorrah have been nuked at the same time. What's more, And in the land of Sumer itself a current report has discovered that around the season of the obliteration of Sumer, there was a sudden environmental change there, the nature of which is predictable with an atomic aftermath. The date recommended by the examination is the same 2024 BC given by Sitchin. The Sumerian human advancement vanished around 2000 BC, similarly as all of a sudden as it showed up. Unmistakably its fall was extremely disastrous a number of Sumerian writings have been discovered bewailing the demolition and destruction of different Sumerian urban areas. All these grievance writings accuse the annihilation on the utilization of a few "Weapons of Terror" and some incredible savage cloud. The detailed descriptions of their effects leave no doubt that the Weapons of Terror were nuclear weapons. It is likewise the narrative of Sodom and Gomorrah. Incorporated into this book is proof of an ancient war that took place in the past, this book is unlike any you have read previously.
