**Six important employment law cases in 2017 - Personnel Today**

In a landmark case, the ECJ decided that it was contrary to EU law for member states to place an upper limit on compensation for loss and damage suffered as a result of sex discrimination. In Ms Marshall's case, her compensation was subject to a limit of £8,500, whereas the tribunal would have awarded her £20,000.

**30 landmark employment law judgments - Personnel Today**

In discrimination cases an employment tribunal should hear all the evidence, including that of the employer before deciding whether or not the employer should bear the burden of proof. The employer can dispute a claimant's version of events and an employment tribunal must weigh up all the evidence before deciding whether or not those events did in fact take place.
