Energy Audits and Improvements  
for Commercial Buildings provides  
a comprehensive guide to delivering

*Page 19/116*

*energy-audits-and-improvements-for-commercial-buildings*

deep and measurable energy savings and carbon emission reductions in buildings. Author Ian M. Shapiro has prepared, supervised, or reviewed over 1,000 energy audits in all types of commercial facilities, and led energy improvement

*Page 20/116*

*energy-audits-and-improvements-for-commercial-buildings*

projects for many more.

## ~~Energy Audits and Improvements for Commercial Buildings ...~~

An energy audit is an inspection survey and an analysis of energy flows for energy conservation in a

*Page 21/116*

building. It may include a process or system to reduce the amount of energy input into the system without negatively affecting the output. In commercial and industrial real estate, an energy audit is the first step in identifying opportunities to

reduce energy expense and carbon footprint.

~~Energy audit - Wikipedia~~

We provide comprehensive site energy audits to identify reasons for high energy consumption and

*Page 23/116*

*energy-audits-and-improvements-for-commercial-buildings*

include tailored recommendations for improvements. We don't leave our service at report stage either, instead we work with you to implement any projects so you receive the full value of our service.

Our site energy audits can: Our

*Page 24/116*

*energy-audits-and-improvements-for-commercial-buildings*

energy audits are carried out to a BS EN 16247-2 standard.

~~Site Energy Audits | Commercial  
Energy Audits | Inspired ...~~

Energy audits are a powerful tool for uncovering operational and

*Page 25/116*

*energy-audits-and-improvements-for-commercial-buildings*

equipment improvements that will save energy, reduce energy costs, and lead to higher performance. Energy audits can be done as a stand-alone effort but may be conducted as part of a larger analysis across a group of facilities, or across an

*Page 26/116*

owner's entire portfolio.
