From the World's No. 1 Storyteller, James and the Giant Peach is a children’s classic that has captured young reader’s imaginations for generations. One of TIME MAGAZINE ’ s 100 Best Fantasy Books of All Time After James Henry Trotter’s parents are tragically eaten by a rhinoceros, he goes to live with his two horrible aunts, Spiker and Sponge. Life there is no fun, until James accidentally drops some magic crystals by the old peach tree and strange things start to happen. The peach at the top of the tree begins to grow, and before long it’s as big as a house. Inside, James meets a bunch of oversized friends—Grasshopper, Centipede, Ladybug, and more. With a snip of the stem, the peach starts rolling away, and the great adventure begins! Roald Dahl is the author of numerous classic children ’ s stories including Charlie and the Chocolate Factory, Matilda, The BFG, and many more! “ James and the Giant Peach remains a favorite among kids and parents alike nearly 60 years after it was first published, thanks to its vivid imagery, vibrant characters and forthright exploration of mature themes like death and hope. ” —TIME Magazine

Elvis Presley had just exploded on the American scene and was filming his first movie, Love Me Tender, when he introduced himself to Nick Adams on the back lot of 20th Century Fox. Nick was a truggling actor, part of the rebel wVwithout a Cause gang and showed Elvis the town, introducing him to Natalie Wood. Nick was infamous for writing about his famous friends and now the Posthumous publication of his un-edited manuscript, The Rebel & The King, details his close friendship and whirlwind eight days in Memphis during the famous singer’s Tupelo Homecoming the summer of '56'. - taken from cover.

Chile Since Independence brings together four chapters from Volumes III, V and VIII of The Cambridge History of Latin America to provide in a single volume an economic, social, and political history of Chile since independence. Each chapter is accompanied by a bibliographical essay.

'Godan' is an epic in Hindi prose. It is the most famous work of Munshi Premchand. 'Godan' gives a vivid picture of the condition of Indian farmers during the author's lifetime. The novel is relevant today because the rural folks' problems still exist. Farmers have generally been exploited by money-lenders, government officials and superstitious community members. Hori, a well-off cultivator, suffers for his dependence on these exploiters. He works very hard, grows various crops, yet starves with his family because almost all his crops are given away to clear the creditor' dues. He efforts to protect his family dignity but fails because he was continuously exploited.

This book provides a detailed account of genre history and contemporary trends in film genre, alongside the critical debates they have provoked.

"Abraham Sutzkever is the greatest living poet in Yiddish, and one of the great poets of the twentieth century. Born in Smargon, near Vilna, in 1913, Sutzkever entered the world of Yiddish literature in the 1930s, with his first book, simply titled *Lider* (Poems). It was immediately recognized that he was a poet whose personality, world-view, and approach to image, sound and rhythm were unique and original. His poetry is full of love of nature and love of beauty; it deals too with the mystery of creation and the secrets of the cosmos. He was tempered by the fires of the Holocaust, during which he lost nearly all of his family, and during which he fought as a partisan in the forest near Vilna. he became a poetic witness to the Jewish people's suffering and destruction; his Holocaust poems are distinguished by their personal dimension and intimacy. Since his emigration to Israel in 1947, Sutzkever has become the poetic symbol of Jewish revival and the standard-bearer of Yiddish literature in Israel and the rest of the world; he is the editor of *Di Goldene Keyt*, the world's pre-eminent Yiddish literary journal." "In the present volume, Sutzkever deals with a broad range of subjects, from childhood to mature love to the beauties of nature to the Holocaust. His unique poetic presence is clearly palpable in these poems, written in deceptively simple but highly evocative language. Though a translation never quite renders the full impact of the original, enough shines through to the English reader to provide a sense of its greatness."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. While some try to get out of prison, Soapy, the only character in O. Henry ’ s short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

"The present volume, being the outgrowth of lectures delivered in the classroom, was originally written in Latin with the intention of supplying a textbook suited to the needs of those beginning the study of theology in our seminaries. . . . It is hoped that the detailed explanations and the simplicity of language will render the work intelligible and useful to a large portion of the laity. "With the exception of the Sacraments, there is, perhaps, no subject of more practical interest to clergy and laity alike than that of the Church, yet there are few works in English treating the subject in full. The author trusts that he has made some contribution in this matter by giving a connected and rather detailed account of the origin, constitution, and powers of the Church from the dogmatic as well as from the apologetic point of view." -From the Introduction

Job Training for the Homeless

"The Selfish Giant" is a short fantasy story for children by the Irish author Oscar Wilde. The story's plot revolves around a giant who builds a wall to keep children out of his garden, but learns compassion from the innocence of the children. The short story contains significant religious imagery. The Selfish Giant owns a beautiful garden which has 12 peach trees and lovely fragrant flowers, in which children love to play after returning from the school. The Giant put a notice board "TRESPASSERS WILL BE PROSECUTED". The garden falls into perpetual winter. One day, the giant is awakened by a linnet, and discovers that spring has returned to the garden, as the children have found a way in through a gap in the wall... It was first published in 1888 in the anthology *The Happy Prince and Other Tales*, which, in addition to its title story, also includes "The Nightingale and the Rose", "The Happy Prince", "The Devoted Friend" and "The Remarkable Rocket".

The Science of Adhesive Joints, Second Edition, discusses the fundamentals of adhesive joints. The book opens with a discussion on solid surfaces, covering topics such as why adhesives are needed, surface roughness and surface porosity, and adsorption of foreign atoms and molecules by solids. This is followed by separate chapters on fastening devices, solid-to-solid adhesion, the formation of adhints, tack phenomena, the mechanisms of setting, adhesional failures, stresses in adhints, and experimental strength of adhints.

First published in 1935, Eleanor Farjeon's A Nursery in the Nineties is one of the most striking accounts of childhood ever written: a testament to a happy and creative upbringing from an author rightly renowned for her powerfully imaginative books for children. 'Nellie' was born in 1881, her father a popular novelist, her mother from a famous American acting family. She was never sent to school, was often in poor health and developed a crushing self-consciousness in company. The nursery at home therefore marked the limits of her universe through her formative years; yet it was in this hothouse atmosphere that 'Nellie' began to read, write stories and, with her three brothers, evolve the rituals and games that dominated their lives. Though she later admitted that such experience hampered her mature development, her imagination certainly flourished, a gift that was soon to communicate itself to legions of readers.

A standard reference that provides, in accessible form, selected critical data for professional and student solid Earth and planetary geophysicists. It represents the third version of the popular "Handbook of Physical Constants" (the first was published in 1942, the second in 1966). The present version reflects the enormous growth of scientific knowledge of the Earth and planets since 1966, spurred by the discovery and verification of plate tectonics and the systematic exploration of the solar system. The classic poem in a newly illustrated edition. Paul Revere and his famous ride were immortalized by Henry Wadsworth Longfellow in a poem published in 1861, more than eighty years after the even. Longfellow wrote the poem at the time of the Civil War. He hoped that his story of an ordinary citizen who comes to the aid of his country would stir patriotic feelings and support for the Union. He was right. In face, if it hadn't been for Longfellow, Paul Revere may have remained a local legend. The poem fired the imaginations of Americans and a national hero was born. This illustrated edition of the classic poem features vivid oil paintings by Monica Vachula, whose research into period and place can be seen in the smallest detail. A concluding note by historian Jayne Triber, author of *A True Republican: The Life of Paul Revere*, explores the poem and Paul Revere's place in American history.

Michael Havelock’s world died on a moonlit beach on the Costa Brava as he watched his partner and lover, double agent Jenna Karas, efficiently gunned down by his own agency. There’s nothing left for him but to quit the game, get out. Then, in one frantic moment on a crowded railroad platform in Rome, Havelock sees Jenna. Racing around the globe in search of his beautiful betrayer, Havelock is now marked for death by both U.S. and Russian assassins, trapped in a massive mosaic of treachery created by a top-level mole with the world in his fist: Parsifal. Praise for Robert Ludlum and The Parsifal Mosaic "[Robert] Ludlum’s narrative imagination is a force of nature."—The New York Times "As fast-paced and absorbing as any he’s written."—Newsday "The suspense never lets up."—The Atlanta Journal-Constitution

It explains the role played by the planning system in their protection, and complements the guidance on archaeology and planning given in PPG 16.

The front lines of World War I may be in the battle-scarred fields of France, but inside this dugout the essence of England is intimately mixed with the hard-packed dirt of the walls and floor. Captain Stanhope will stand no shirking from the men in his command-- or from himself. After three years in and around the trenches, he is utterly exhausted and absolutely terrified. When Raleigh, a junior schoolmate from home, gets posted to Stanhope's company, the poor man is badly shaken. Hero worship is for sunny afternoons on the cricket pitch and leisurely discussions of Keats-- not for the horrors of war. Stanhope wants to believe Raleigh is just another soldier in the crowd. He tries to lose sight of him among Osborne, the former schoolmaster, Trotter, the proud gardener showing off photos of his prize hollyhocks, and the good-humored Hardy. Yet, when the long-anticipated enemy attack explodes around them, Stanhope and Raleigh must come to terms with the age-old tragedy of battle.

(Book). Armed with a macro lens, an incredible eye for detail, and a truly groundbreaking vision, Lisa Johnson's guitar art is taking the world of fine art photography on a rock-and-roll ride. A compilation of Johnson's stunningly personal and intimate portraits, 108 Rock Star Guitars features the guitars of rock-and-roll luminaries, including Les Paul, Eric Clapton, Jimmy Page, Nancy Wilson, Bonnie Raitt, Chrissie Hynde, and many others. Far from still life, Johnson's work conjures the abstract yet also possesses a very sensual and ethereal feel that intentionally illustrates intimate wear-and-tear details. Her unique presentation personifies and captures a musician's true spirit in these musical extensions of the artist's body. This ultra-deluxe, coffee-table photo book reveals through Johnson's signature macrophotography style the etchings, totems, and personal touches of each featured guitar. It is a rare perspective that few people outside of the musicians' stage crew have seen. Alongside these images, Johnson provides personal anecdotes describing her 17-year journey to photograph these iconic instruments, documenting her travels from the backstage hallways of some the world's most famous concert venues to the artists' private homes. 108 Rock Star Guitars is a music and fine-art photography aficionado's private backstage pass to witness up-close these six-stringed works of art.

The Adventures of Tom Sawyer Illustrated

Presents an annotated bibliography of general and subject reference books covering the humanities, social and behavioral sciences, history, science, technology, and medicine.

Adventures of Huckleberry Finn (often shortened to Huck Finn) is a novel written by American humorist Mark Twain. It is commonly used and accounted as one of the first Great American Novels. It is also one of the first major American novels written using Local Color Regionalism, or vernacular, told in the first person by the eponymous Huckleberry "Huck" Finn, best friend of Tom Sawyer and hero of three other Mark Twain books.The book is noted for its colorful description of people and places along the Mississippi River. By satirizing Southern antebellum society that was already a quarter-century in the past by the time of publication, the book is an often scathing look at entrenched attitudes, particularly racism. The drifting journey of Huck and his friend Jim, a runaway slave, down the Mississippi River on their raft may be one of the most enduring images of escape and freedom in all of American literature.

"The Adventures of Tom Sawyer by Mark Twain is an 1876 novel about a young boy growing up along the Mississippi River. It is set in the 1840 in the fictional town of St. Petersburg, inspired by Hannibal, Missouri, where Twain lived as a boy. In the novel Tom Sawyer has several adventures, often with his friend Huckleberry Finn. Originally a commercial failure, the book ended up being the best selling of any of Twain's works during his lifetime.Though overshadowed by its sequel, Adventures of Huckleberry Finn, the book is by many considered a masterpiece of American literature, and was one of the first novels to be written

on a typewriter."

"I was a twenty-seven-year-old mining-broker's clerk in San Francisco, and an expert in all the details of stock traffic. I was alone in the world and had nothing to depend upon but my wits and a clean reputation; but these were setting my feet in the road to eventual fortune, and I was content with the prospect." -The £1,000,000 Bank Note (1893) The £1,000,000 Bank Note and Other New Stories (1893) is a collection of nine humorous short stories by Mark Twain. The title story is an entertaining tale about how a bet between two rich English gentlemen results in a poor clerk from San Francisco gaining wealth and status in London society. Movie fans will recognize this story as the inspiration for the 1980s movie Trading Places. This replica of the 1893 edition of The £1,000,000 Bank Note and Other New Stories is a charming addition to anyone's library of Mark Twain books.
