

## English Kids Picture Dictionary

Learning to read can be challenging and a lot of work. Children who learn to read high-frequency words by sight will increase their confidence and fluency in their reading. Teaching sight words through songs, games, and the use of manipulatives makes learning them easy. This book's activity is to promote teaching sight Words through reading. There are complete 1000 Fry sight words with pictures and short sentences for every word. It can draw kids'attention quickly and get 100% to improve in reading skills. Charming characters and easy-to-understand contextual sentences add up to foreign language dictionaries that children will adore! The Just Look 'n Learn Picture Dictionary series can be used as a way to build the language skills of children ages seven through twelve, or as home reinforcement of school learning for students grades three through six. Each book defines and illustrates more than 1,500 commonly taught words in the language. Accompanied by colorful and fun illustrations, each entry begins with a headword given in English, followed by its translation and example sentences in both languagesall to make the meaning of each word perfectly clear. Also, these dictionaries aid learning of numbers, days of the week, directions, and telling time in the new language. Both adults and children will find that this series makes language learning easy and enjoyable. This multi-level Lesson Planner provides three different 'mini-lessons' for each level focusing on vocabulary, phonics, and language development. The Lesson Planner is a must-have teaching tool. With three levels of instruction, it provides ample support for teachers with multi-level classrooms. About the Book: Learn colors with this bilingual children's picture book dictionary. Research shows that learning a second language boosts problem-solving, critical thinking, and listening skills, in addition to improving memory, concentration, and the ability to multitask. Children proficient in other languages also show signs of enhanced creativity and mental flexibility. There is a "critical period" or "window of opportunity" when children learn languages best. Studies have shown that this is when children are between birth and six years old. The younger children are, the easier they will learn a second language. As they get older that ability diminishes. These easy and fun flashcards aim to help parents as a useful educational tool for kids to learn a new language. All images include the words in both English and the second language in clear, bold text. Suitable for toddlers on their own or in groups, these books are a child's perfect introduction to exploring new languages. Our English Picture Dictionary for kids presents words and phrases through a variety of vivid and colorful illustrations. The dictionary features 14 topics, over 300 words and a board game. This interactive book encourages language development in a fun way, boosting your child's speaking, reading and observational skills.

Alphabetically-arranged entries illustrate and demonstrate proper usage of common vocabulary words in English and Spanish.
