Contrary to popular  
opinion, there is more to

*Page 1/67*

*eternal-glory-of-baba-nand-singh-ji-maharaj-nanaksar*

Sikhism than the distinctive dress. First of all, there is the emergence of Guru Nanak, the founder of Sikhism, and the long line of his successors. There are the

*Page 2/67*

*eternal-glory-of-baba-nand-singh-ji-maharaj-nanaksar*

precepts, many related to liberation through the divine name or nam. There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and

*Page 3/67*

*eternal-glory-of-baba-nand-singh-ji-maharaj-nanak-sar*

resist external domination  
that continues to this  
day. There is also, more  
recently, the dispersion  
from the Punjab throughout  
the rest of India and on  
to Europe and the

Americas. With this emigration Sikhism has become considerably less exotic, but hardly better known to outsiders. This reference is an excellent place to learn more about

the religion. It provides a chronology of events, a brief introduction that gives a general overview of the religion, and a dictionary with several hundred entries, which

*Page 7/67*

the meaning of numerous related expressions. All this, along with a bibliography, provides readers with an informative and accessible guide toward understanding

Sikhism.

This book begins from the small village Shiladhi, where a young fakir clad in white arrived with a marriage party. He stayed on and his divine powers

*Page 9/67*

were slowly recognized by  
the laity around him.  
Slowly the dilapidated

*Page 11/67*

various well known  
miracles of Baba and  
illustrates their meaning  
in a lucid manner. The  
author brings a rear  
insight and an almost  
personal touch to this

book as she describes the various articles used by Him and the places He visited regularly. This book came about by this irresistible urge to share Shirdi, so readers can

profit from it. The articles used and handled by Baba are with the Sansthan so the readers can see them and gain insight in their significance.

Sikhism traces its beginnings to Guru Nanak, who was born in 1469 and died in 1538 or 1539. With the life of Guru Nanak the account of the Sikh faith begins, all Sikhs acknowledging him as their founder. Sikhism has long been a little-
