CIMA offers a business qualification with a finance focus, aiming to produce members with accounting prowess who are skilled in strategic decision-making. 98% of its members work in business, the highest proportion of any worldwide accountancy body. New syllabus CIMA Paper E2 Enterprise Management is a compulsory paper at the Management level and is the second of three papers progressing up the Enterprise pillar. It builds on the functional knowledge found in Paper E1 Enterprise Operations toward an integrated view of management in the organisation. E2 introduces strategic ideas, tools and techniques essential for passing the three strategic level papers. Project Management comprises 40% of the syllabus with the remainder split evenly between Strategic Management and Assessing the Competitive Environment, and Management of Relationships. Credit will be given to students who passed Paper P5 under the 2005 syllabus against E2 in the 2010 syllabus. The E2 Study Text is your complete guide to the E2 syllabus. All areas of the syllabus are explained fully and links to E1 and E3 clearly identified. Section introductions ease you into the chapter topics and key terms you must know are shown clearly throughout. There are plenty of questions to sharpen your knowledge and case studies to bring material to life. Exam alerts and skills are signposted to guide you on approaching the exam.

Since they were issued in 1999, the OECD Principles of Corporate Governance have gained worldwide recognition as an international benchmark for good corporate governance. This revised version takes into account developments since 1999 and includes several important amendments.
