Under German law,
contractors owe specific
performance. Employers can
claim specific performance as
an equitable remedy and
enforce performance in the

Page 2/154

event of a breach of obligations.

Laws on contracts are set by individual member states in the European Union (EU).

However, the EU has harmonised some aspects of

Page 3/154

contract law across the whole of the European Community. In addition, some EU legislation affects contract law because it takes precedence over national laws.

Page 4/154

The first part gives an overview of the 'European contract law initiative' which has resulted in various drafts for a European contract law regime, culminating in the two instruments that are the focus

Page 5/154

of the following chapters: the European Commission ' s Proposal for a Regulation on a Common European Sales Law of October 2011 and one of its precursors, the 2009 Draft Common Frame of Reference.

In agreements governed by
German law without a

specific MAC/MAE clause or force majeure provision, in order to be relieved from contractual obligations, parties to an agreement may raise objections relating to the

impossibility of
performance (Unmöglichkeit
der Leistung) or
frustration of contract
(Störung der
Geschäftsgrundlage) as
outlined below. However,

Page 151/154

even in view of current developments and the severe measures taken worldwide to contain the pandemic, hurdles in making such ...

The European Commission approved a contract with German pharmaceutical firm BioNTech and their US partner Pfizer on Wednesday, guaranteeing that the bloc with
