Euthanasia And The Right To

Perhaps the most pressing ethical medical dilemma concerns whether an individual has the right to die. Euthanasia, or mercy killing, means the deliberate killing of a patient who is terminally ill and/or in severe and chronic pain. More recently, “ physician assisted suicide ” has superseded the term euthanasia as terminally ill patients take more assertive roles in expressing their wishes and requesting physician support.

Euthanasia: The Right to Die?

This article looks at the pros and cons of euthanasia. Public domain photo via Pixabay.

The right to die debate is an emotive and contentious one. The arguments are usually focused around the ethics and legalities of allowing people who are terminally ill to request and receive assisted dying. Often the biggest problems exist around who should decide if the euthanasia should be carried out, especially if the person in question is not in a fit state to make their own decision for reasons of ...

Euthanasia Pros and Cons: Should People Have the Right to ...

Although the popular term “right to die” has been used to describe the debate over end-of-life decisions, the underlying issues include a variety of legal concepts, some distinct and some overlapping. For instance, “right to die” could include issues of suicide, passive euthanasia (allowing a person to die by refusal or withdrawal of medical intervention), assisted suicide (providing a person the means of committing suicide), active euthanasia (killing another), and palliative care ...

“Right to Die” . | U.S. Constitution Annotated | US Law ...

Euthanasia should be a natural extension of patient’s rights allowing him to decide the value of life and death. Maintaining life support system against the patient’s wish is considered unethical by law as well as medical philosophy.
