365 musings and reflections drawn from the work of international best-selling author and beloved spiritual teacher, Dr. Wayne W. Dyer. One of *Hay House*'s most beloved authors, known worldwide as “the father of motivation,” Dr. Wayne W. Dyer was at the forefront of the personal transformation movement for decades. So many of us were touched by Wayne's charismatic yet grounded way of speaking and writing. You may fondly remember watching one of his PBS specials or seeing him speak onstage at the many events he so loved doing throughout the years. Perhaps you were browsing a bookstore and found yourself drawn to a title, only to discover words that would change the course of the rest of your life . . . Or perhaps this is your first encounter with the wisdom of Wayne, and you're not quite sure what this book has in store for you! In this collection of quotes spanning Wayne's decades-long career, you'll find witty bon mots that make you laugh, enigmatic phrases that make you think, and wise passages that remind you of the power of your beliefs. You'll see how his focus shifted through the years, from discussing the way of no-limit living and empowering people to free themselves of their excuses, to finding inspiration through living “in-Spirit” and discovering the beauty of the Tao. As you read a quote each day, or flip through the pages at random to find insight, we hope you take to heart the meaning behind one of Wayne's favorite sayings: When you change the way you look at things, the things you look at change. Within the pages of this transformational book, Dr. Wayne W. Dyer reveals how to change the self-defeating thinking patterns that have prevented you from living at the highest levels of success, happiness, and health. Even though you may know what to think, actually changing those thinking habits that have been with you since childhood might be somewhat challenging. If I changed, it would create family dramas . . . I'm too old or too young . . . I'm far too busy and tired . . . I can't afford the things I truly want . . . It would be very difficult for me to do things differently . . . and I've always been this way . . . may all seem to be true, but they're in fact just excuses. So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light. In this groundbreaking work, Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone, along with ways to cast them aside once and for all. You'll learn to apply specific questions to any excuse, and then proceed through the steps of a new paradigm. The old, habituated ways of thinking will melt away as you experience the absurdity of hanging on to them. You'll ultimately realize that there are no excuses worth defending, ever, even if they've always been part of your life—and the joy of releasing them will resonate throughout your very being. When you eliminate the need to explain your shortcomings or failures, you'll awaken to the life of your dreams. Excuses . . . Begone!

I AM, the newest children's book by Dr. Wayne W. Dyer, is taken from his latest book for adults, *Wishes Fulfilled*. *I AM* teaches kids a simple but profound message: God is not far off in the distance, or even merely beside us. In other words, we are not separate from God—we are God! Knowing that God's love and strength is a part of everyone can help kids grow to meet their greatest potential in life. The book uses a rhyme and illustrations to teach this lesson and help children realize that they are greater than they ever imagined! There is also a special section at the end that teaches the important meaning and way to use the words *I am* to create love, happiness, and greatness in their own lives and the world.

The Shift—the book inspired by the movie of the same name—illustrates how and why to make the move from ambition to meaning. Experience the internationally renowned principles and teachings of Dr. Wayne W. Dyer as they come to life in this one-of-a-kind enhanced e-book. Download *The Shift* and allow these lessons to guide you down a more authentic and rewarding path today. As we contemplate leaving the morning of our life, where ego has played a commanding role, and entering the afternoon (and evening), where meaning and purpose replace ambition and struggle, we may encounter unexpected occurrences that accompany this new direction. It's almost a universal law that we'll experience a fall of some kind. Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose. *The Shift* doesn't mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing meaning and feeling purposeful, rather than a life based on never-ending demands and false promises that are the trademark of the ego's agenda.

For many years, Dr. Wayne W. Dyer's fans have wondered when he would write a memoir. Well, after four decades as a teacher of self-empowerment and the

best-selling author of more than 40 books, Wayne has finally done just that! However, he has written it in a way that only he can—with a remarkable take-home message for his longtime followers and new readers alike—and the result is an exciting new twist on the old format. Rather than a plain old memoir, Wayne has gathered together quantum-moment recollections. In this revealing and engaging book, Wayne shares dozens of events from his life, from the time he was a little boy in Detroit up to present day. In unflinching detail, he relates his vivid impressions of encountering many forks in the road, taking readers with him into these formative experiences. Yet then he views the events from his current perspective, noting what lessons he ultimately learned, as well as how he has made the resulting wisdom available to millions via his lifelong dedication to service. As a reader, you will feel as if you are right there with Wayne, perusing his personal photo album and hearing about his family, his time in the service, how he writes his best-selling books, and so much more. In the process, you'll be inspired to look back at your own life to see how everything you have experienced has led you to where you are right now. Wayne has discovered that there are no accidents. Although we may not be aware of who or what is "moving the checkers," life has a purpose, and each step of our journey has something to teach us. As he says, "I wasn't aware of all of the future implications that these early experiences were to offer me. Now, from a position of being able to see much more clearly, I know that every single encounter, every challenge, and every situation are all spectacular threads in the tapestry that represents and defines my life, and I am deeply grateful for all of it." *I Can See Clearly Now* is an intimate look at an amazing teacher, but it also holds the key for seekers on a personal path of enlightenment. Wayne offers up his own life as an example of how we can all recognize the hand of the Divine steering our individual courses, helping us accomplish the mission we came here to fulfill.

Bestselling inspirational author Wayne Dyer's classic parable, with a powerful message for achieving happiness here on Earth, now and forever. How would an intelligent visitor from another planet react to life on Earth? Would we welcome that visitor's presence and views? Are we ready for such an open exchange? Weaving together science fiction, spirituality, and philosophy with wisdom, humor, and plain common sense, Dyer tells the story of two peaceful beings from different worlds who work together to enhance the well-being of all. The gifts that Eykis, an alien traveling from a distant, Earth-like planet, brings to the people of Earth help them see themselves in a new light, and compel them to rethink their negative actions. Her insightful offerings will move you to new emotions, new behaviors, and a new understanding of humankind's limitless possibilities.

The practice of meditation takes us on a fabulous journey into the gap between our thoughts, where all the advantages of a more peaceful, stress-free, healthy, and fatigue-free life are available, but which are simply side benefits. The paramount reason for daily meditation is to get into the gap between our thoughts, and make conscious contact with the creative energy of life itself. Dr. Wayne W. Dyer explains the soul-nourishing meditation technique for making conscious contact with God, which the ancient masters have told us about. You have the potential to be an instrument of the highest good for all concerned and to be a literal miracle worker in your own life. No person, government, or religion can legitimately claim to do this for you. "In fact," says Dr. Dyer, "I agree with Carl Jung who said, 'One of the main functions of formalized religion is to protect people against a direct experience of God.' " When you master getting into the gap and staying there for prolonged segments of meditation, and experience what you bring back to the material world, you will know your answer to the question: "Why meditate?"

From best-selling author and spiritual teacher Wayne W. Dyer comes *My Greatest Teacher*, which follows a man's journey to find understanding and reconciliation with his past. Despite having a loving family and a fulfilling career as a university professor, Ryan Kilgore has always held deep resentment and anger toward the father who abandoned him when he was born. When these emotions take their toll on his marriage and his relationship with his own son, Ryan realizes he must confront these unhealed wounds in order to move forward in his life. While at an academic conference, he embarks on a search to track down his father, Big Bob. Along the way, Ryan encounters friends and acquaintances of Big Bob, while reawakening memories of his childhood. *My Greatest Teacher* is an inspiring tale of how we can transform suffering and pain into forgiveness and love, and the lessons we can learn through the most difficult challenges we face.

In *Good-bye, Bumps!*, Dr. Wayne W. Dyer and his daughter Saje tell a remarkable story from her childhood in which she was able to overcome a physical condition in a very unique way. In the telling of this story Saje and Wayne teach children the important lesson that when something is bothering them, they can change their attitude toward it and not allow it to have power over them. This book will help kids understand that some things about themselves can be changed and others will always be with them, but what matters is how they choose to think about these things. In addition to its valuable lesson, this charming story will remind all readers, both young and old, of what can be done with the childlike belief in what is possible.

SELF-HELP & PERSONAL DEVELOPMENT. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences - it's our Divine birthright. In *Living an Inspired Life* (previously published under the title *Inspiration*), Dr. Wayne W. Dyer explains how to connect to the knowledge and understanding that we had in the spirit realm before we chose to incarnate in physical form. From this all-knowing place of spirit, we choose our physical body, our parents and the nature of the life we would lead on the earth. We made these choices co-creatively with the Source and now here on earth if we can reconnect to that Source energy it can transform our lives. Living our lives inspired by Source energy is a powerful antidote to the feelings of emptiness that disconnection from our soul creates. As you read each chapter in this book, you'll find specific suggestions for living 'in-Spirit'.

Your Sacred Self

No Excuses!

Dr. Wayne W. Dyer, the internationally best-selling author and lecturer, has written a new book in his series of inspirational books for kids. *You're Not What You've Got* addresses the topics of money and abundance, with the understanding that children's earliest thoughts and perceptions about money are those that will last throughout their lives. The concepts presented in this beautifully illustrated book include: Money does not define who you are; it doesn't matter what others have, and abundance comes in many forms. Unlike most books on this subject, *It's Not What You've Got* is not a how-to manual on spending and saving for kids, but rather a positive, spiritual approach to the meaning of money.

The bestselling author of *Your Erroneous Zones*, *Pulling Your Own Strings*, and *Wisdom of the Ages* combines psychological insights and guidelines for achieving spiritual fulfillment to present a three-step program designed to help readers look inside themselves to find a new sense of self-awareness and spiritual joy. Developing the sacred self, Wayne Dyer explains, brings an understanding of our place in the world and a sense of satisfaction in ourselves and others. In *Your Sacred Self*, Dyer offers a program that helps listeners establish a spiritually-oriented, rather than an ego-oriented, approach to life. Step by step, Dyer shows us how to progress from emotional awareness to psychological insight to spiritual alternatives in order to change our experience of life from the need to acquire to a sense of abundance; from a sense of one's self as sinful and inferior to a sense of one's self as divine; from a need to achieve and acquire to an awareness that detachment and letting go bring freedom. *Your Sacred Self* is an inspiring, hopeful, illuminating guide that can help everyone live a happier, richer, more meaningful life.

National Bestseller This inspiring book by Wayne Dyer, author of the bestselling classics *Your Erroneous Zones* and *Pulling Your*

Own Strings, delves into the teachings of intellectuals of our past to mine values and wisdom for the present. "What do our ancestral scholars, whom we consider the wisest and most spiritually advanced, have to say to us today?" asks Dyer. The answer lies in this powerful collection of writings, poems, and sayings by some of the greatest thinkers of the past twenty-five centuries. In succinct original essays, Dyer sets out to explain the meaning and context of each piece of wisdom, and, most important, to explain how we can actively apply these teachings to our modern lives. From sixty ancestral masters – Buddha, Michelangelo, Rumi, Whitman, Jesus, Emily Dickinson, and Emerson, among others – here are treasured passages on a variety of subjects, including solitude, time, and passion. Among the contributions are words on inspiration from Pantanjali, author of the Hindu classic Yoga Sutras; teachings about the power of prayer from 13th-century monk St. Francis of Assisi; and thoughts about the importance of action written by Mother Teresa. The voices collected here cut across a wide range of historical eras and cultures, yet they communicate universal truths about the human experience. Wisdom of the Ages provides us with a marvelous dual opportunity: to receive guidance from our great ancestors and to recognize our own potential for greatness

In 2001, Dr. Wayne Dyer wrote a book called 10 Secrets for Success and Inner Peace, based on the most important principles he wanted his children to live by. Serena Dyer, one of those children, has contemplated these ideas throughout her life. "Don't die with your music still in you" has been the most important principle for Serena: to her, it means that you don't allow yourself to live any life other than the one you were born to live. In this book, Serena sets out to explain what it was like to grow up with spiritual parents. She touches upon all ten of her dad's original secrets, imparting her own experiences with them and detailing how they have affected the way she approaches various situations in life. She shares stories, struggles, and triumphs—and Wayne, in turn, contributes his own perspective. This unique father-daughter collaboration will warm the hearts of all parents . . . and inspire anyone who is looking to find the "music" inside themselves.

10 Ways to Soar Through Life

Talking to What's Bugging You

Nineteenth-century British poet William Wordsworth expressed the idea that we gradually lose our intimate knowledge of heaven as we grow up, observing that "our birth is but a sleep and a forgetting" of our previous heavenly existence. Dr. Wayne W. Dyer and co-author Dee Garnes had often talked about how the ones who know the most about God are those who have just recently been wrapped in the arms of the Divine, our infants and toddlers. In fact, Dee had an interaction with her own young son that convinced her of this. Curious about this phenomenon, Wayne and Dee decided to issue an invitation to parents all over the world to share their experiences. The overwhelming response they received prompted them to put together this book, which includes the most interesting and illuminating of these stories in which very young children speak about their remembrances before they were born. It seems that infants and toddlers often arrive here with memories of their lifetimes in the spirit world and frequently provide evidence of this to their immediate families. They tell of dialogues with God, give evidence that they themselves had a hand in picking their own parents, speak about long-deceased family members they knew while in the dimension of Spirit, verify past-life recollections, and speak eloquently and accurately of a kind of Divine love that exists beyond this physical realm--and even of times when telepathic communication took place, as well as the ability to decide just when they would come here to Earth. This fascinating book encourages parents and grandparents to take a much more active role in communicating with their new arrivals . . . and to realize that there is far more to this earthly experience than what we perceive with our five senses.

From the inspirational leader and author of the international bestsellers Your Sacred Self and Your Erroneous Zones comes this mind-awakening guidebook for making your desires reality. Wayne Dyer is an extraordinary sensor of what people want and he moves with the ever-changing times. He focused on the heart of the spiritual with Real Magic and embraced individual sacredness with Your Sacred Self. In this enlightening work, he takes these concepts one step further to focus on meditation and manifesting what you want. Based on ancient principles and spiritual practices, Manifest Your Destiny teaches the process of meditation as a way to streamline your thoughts, desires, goals, and, ultimately, your life. Are the decisions and actions in your life controlled by your ego? Are you weighted down with unresolved troubles? Do you feel out of touch with your environment? Do you complain, find fault, or take for granted more often than you appreciate your life? You can overcome these barriers with Dyer's technique, as outlined in his Nine Spiritual Principles that will teach you to develop spiritual awareness, reconnect with the world, trust yourself and accept your worth, and let go of demands. Filled with warmth and insight, this invaluable book will help you achieve your goals and take you to a level higher than you've ever dreamed.

"What I'm offering in this book is the awareness that we can return to a full-time position of inspiration, which is the true meaning of our life." - Dr. Wayne W. Dyer.....INSPIRATION In this groundbreaking book, Dr. Wayne W. Dyer explains how we've chosen to enter this world of particles and form. From our place of origin, in ways that we don't readily comprehend now, we knew what we were coming here to accomplish, and we participated in setting this life process in motion. So why not think along these same lines? Why put the responsibility or blame on any one or any thing that's not a part of us? On Earth we have the capacity of volition - we can choose - so let's assume that we had the same capacity when we resided in the spiritual realm. We chose our physical body, and we chose the parents we needed for the trip. It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source. Inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences - it's inherent in our Divine birthright. The problem is that as children we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished. As you read each chapter in this book, you'll find specific suggestions for living "in-Spirit." From a very personal viewpoint, Wayne offers a blueprint through

the world of inspiration - your ultimate calling.

STAYING ON THE PATH The wit and wisdom of Dr. Wayne W. Dyer reflected in this extraordinary collection of inspirational quotes and observations. Whether you're already on the "path" or just doing your best to get there, this book will give you the impetus to keep moving forward.

Toss Out Those Tired Old Excuses...Once and for All! Within the pages of this transformational book, Dr. Wayne W. Dyer reveals how to change the self-defeating thinking patterns that have prevented you from living at the highest levels of success, happiness, and health. Even though you may know what to think, actually changing those thinking habits that have been with you since childhood might be somewhat challenging. If I changed, it would create family dramas ... I'm too old or too young ... I'm far too busy and tired ... I can't afford the things I truly want ... It would be very difficult for me to do anything differently ... and I've always been this way ... may all seem to be true, but they're in fact just excuses. So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light. In this groundbreaking work, Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone, along with ways to cast them aside once and for all. You'll learn to apply specific questions to any excuse, and then proceed through the steps of a new paradigm. The old, habituated ways of thinking will melt away as you experience the absurdity of hanging on to them. You'll ultimately realize that there are no excuses worth defending, ever, even if they've always been part of your life--and the joy of releasing them will resonate throughout your very being. When you eliminate the need to explain your shortcomings or failures, you'll awaken to the life of your dreams. *Excuses ... Begone!*
