Chester E. Finn Jr. (Author of **Failing Our Brightest Kids**)  
**Failing Our Brightest Kids The**

Failing Our Brightest Kids argues that the United States, compared to other countries, has done too little to educate students to the highest levels of achievement--particularly students from disadvantaged backgrounds. This candid and provocative book makes a powerful case that our country can and should do more to fully develop the nation's human capital by providing gifted and talented students the opportunities they deserve.

**Failing Our Brightest Kids : NPR**  
In their book, Failing Our Brightest Kids, Chester E. Finn, Jr. and Brandon L. Wright argue that America's efforts to educate high-ability students have fallen dramatically short. This is especially true for talented low-income youngsters, who too often miss out on the opportunity to develop their talents.
