coincidence? Or could the dog theft somehow be connected to the killing? Andy takes Cheyenne safely back to the foundation building, and that should be the end of his involvement, but Andy's curiosity- and his desire to keep the dog from

further harm-won't let him stop there. The cops have just arrested a man named Tommy Infante for the murder, but as Andy looks into the circumstances surrounding the break-in and the dog theft, he starts to wonder if Infante might actually

Page 22/211

be innocent. And when Andy takes Infante on as a client and starts searching in earnest for evidence that will exonerate him, what Andy starts to discover terrifies him. The murder might be just one small cog in a plot with far-reaching

Page 45/211

famous-funnies-2350-historic-superhero-phantom

arrives inviting Armand Gamache to an abandoned farmhouse, the former head of the Sûreté du Québec discovers that a complete stranger has named him one of the executors of her will. Still on suspension, and frankly curious, Gamache accepts and soon learns

Page 46/211

famous-funnies-2350-historic-superhero-phantom

that the other two executors are Myrna Landers, the bookseller from Three Pines, and a young builder. None of them had ever met the elderly woman. The will is so odd and includes bequests that are so wildly unlikely that Gamache and the others suspect

Page 47/211

famous-funnies-2350-historic-superhero-phantom

the woman must have been delusional. But what if, Gamache begins to ask himself, she was perfectly sane? When a body is found, the terms of the bizarre will suddenly seem less peculiar and far more menacing. But it isn't the only menace Gamache is facing.
