

Feel Alive By Ralph Smart

Embrace the timeless teachings of the chakra system for peace of mind, better physical health, and a sense of alignment, fulfillment, and purpose. The key to optimal health and well-being is within us, in powerful energy centers called chakras. Ancient cultures understood the sacred healing power of chakras and that self-care aligned with nature. In *Chakras & Self-Care*, you'll engage in a series of meditative exercises that activate and balance each of your seven main chakras. Reiki master and wellness expert Ambi Kavanagh also offers daily and seasonal rituals to show us that true prevention not only comes from the ways we care for our bodies, but the ways we spend our energy. *Chakras & Self-Care* features:

- Affirmation, visualization, and activation exercises to align and balance each chakra for improved energetic flow
- A comprehensive guide to the seven main chakras plus astrological and elemental correspondences and goddess archetypes
- Essential oil blend recipes and sacred stones to open and support each chakra
- Daily rituals to recharge and restore your mental, emotional, physical, and spiritual health
- Seasonal energy rituals to reconnect with nature's rhythms and lunar cycles

'I am invisible, understand, simply because people refuse to see me.' Defeated and embittered by a country which treats him as a non-being, the 'invisible man' retreats into an underground cell, where he smokes, drinks, listens to jazz and recounts his search for identity in white society: as an optimistic student in the Deep South, in the north with the black activist group the Brotherhood, and in the Harlem race riots. And explains how he came to be living underground . . . 'An American classic . . .

one of the most original voices of Black America.' The Times

Poetic prose describes a full autumn moon and the magical effect it has on the earth, plants, animals, and people around it.

A GRIPPING NEW SCIENCE FICTION THRILLER NOVEL SET IN 'NEW LONDON' 2049 AD, IN THE MIDST OF NANO-TECHNOLOGY. WE LIVED IN THE DIGITAL AGE, FUTURE WARS WOULD BE FOUGHT THROUGH TECHNOLOGY. NEW LONDON'S ARCHITECTURE KEPT GROWING; THEY BUILT BUILDINGS OUT OF NOTHING. FOREIGN ENTITIES CREATED ILLUSIONS THROUGH ARCHITECTURE, VAST LABYRINTHS-WORLDS WITHIN WORLDS. Love Will Show You the Way

Stuart Little

The classic story by E. B. White, author of the Newbery Honor Book *Charlotte's Web* and *The Trumpet of the Swan*, about one small mouse on a very big adventure. Now available as an ebook! Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. *Stuart Little* is no ordinary mouse. Born to a family of humans, he lives in New York City with his parents, his older brother George, and Snowbell the cat. Though he's shy and thoughtful, he's also a true lover of adventure. Stuart's greatest adventure comes when his best friend, a beautiful little bird named Margalo, disappears from her nest. Determined to track her down, Stuart ventures away from home for the very first time in his life. He finds adventure aplenty. But will he find his friend? *Stuart Little* joins E. B. White favorites *Charlotte's Web* and *The Trumpet of the Swan* as classic illustrated novels that continue to speak to today's readers. Whether you curl up with your young reader to share these books or hand them off for independent reading, you are helping to create what are likely to be all-time favorite reading memories.

Feel Alive by Ralph Smart explores the infinite potential in human beings, and discovers how we can awaken our infinite power. We talk on relationships, mind control, organic food and becoming the greatest version of yourself. To feel alive is to be free, being free is our birthright.

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and

attorneys, and forensic science educators.

What happens when a science geek and magic collide? Be careful what you wish for. Really. Because wishes are bad. Very bad. They can get you trapped in fantasy worlds full of killer bunny rabbits, evil aunts, and bothersome bacteria, for example. Or at least that's Ralph's experience. He's been asked to spend the summer with his strange British relatives at their old manor house in order to set up their Wi-Fi network. But there's much more to it than that, of course. It's just that nobody told Ralph. He's a gamer, sure. But this game is much stranger--and funnier--than anything to be found on his xbox. He is a geek. This is his story.

The Digital Ape

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in

ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

This book details several beneficial Mudras, and provides a holistic view of physical and spiritual healing. The right colours, foods, thoughts and ambience combined with regular Mudra-practice will make for a new and healthy you!

A thoughtfully researched, movingly presented dual-biography of two iconic American writers, each trying to find the ideal friend with whom they could share their journey through our imperfect world. Any biography that concentrates on either Henry David

Thoreau or Ralph Waldo Emerson tends to diminish the other figure, but in *Solid Seasons* both men remain central and equal. Through several decades of writing, friendship remained a primary theme for them both. Collecting extracts from the letters and journals of both men, as well as words written about them by their contemporaries, Jeffrey S. Cramer beautifully illustrates the full nature of their twenty-five-year dialogue. Biographers like to point at the crisis in their friendship, focusing particularly on Thoreau's disappointment in Emerson—rarely on Emerson's own disappointment in Thoreau—and leaving it there, a friendship ruptured. But the solid seasons remained, as is evident when, in 1878, Anne Burrows Gilchrist, the English writer and friend of Whitman, visited Emerson. She wrote that his memory was failing "as to recent names and topics but as is usual in such cases all the mental impressions that were made when he was in full vigour remain clear and strong." As they chatted, Emerson called to his wife, Lidian, in the next room, "What was the name of my best friend?" "Henry Thoreau," she answered. "Oh, yes," Emerson repeated. "Henry Thoreau."

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Behind our political leaders-yes, even the "moral" ones-is an army of young, horny, professional staffers scrapping it out. Lisa Baron should know-she used to be one of them. With the unerring candor of George Stephanopoulos and the uncensored wit of Chelsea Handler, Baron gives good anecdote on a world where Godaphiles and Press Tarts work together to keep their politicians from imploding. . .and reveals how a not-so-nice Jewish girl

became spokeswoman for the head of the Christian Coalition until she had to kiss that career and its perks—a drunken night with Wayne Newton and a seemingly endless supply of narcotics—good-bye. "Sarah Palin, Ann Coulter, and Monica Crowley may think they're pretty bold. But when it comes to baring the secret ardor of a conservative woman, nobody undresses like Lisa Baron." -New York Daily News "Hysterical." -Hollis Gillespie, author of Trailer Trashed "Everything you wanted to know about what goes on behind the Christian GOP curtain but were afraid to ask. Funny, frank, hilarious." -Michael Murphy, guest columnist for Time magazine "Sex, drugs, interns—rock stars have nothing on Bible-thumping politicians when it comes to sin and raunch." -Suzi Parker, author of Sex in the South "Primary Colors meets Coyote Ugly." -Gawker "Sex, scandal. . .this book has everything." -A. J. Jacobs

This slyly funny, moving novel about a blue-collar town in upstate New York—and in the life of Sully, of one of its unluckiest citizens, who has been doing the wrong thing triumphantly for fifty years—is a classic American story. Divorced from his own wife and carrying on halfheartedly with

another man's, saddled with a bum knee and friends who make enemies redundant, Sully now has one new problem to cope with: a long-estranged son who is in imminent danger of following in his father's footsteps. With its uproarious humor and a heart that embraces humanity's follies as well as its triumphs, *Nobody's Fool*, from Pulitzer Prize-winning author, Richard Russo, is storytelling at its most generous. *Nobody's Fool* was made into a movie starring Paul Newman, Bruce Willis, Jessica Tandy, and Melody Griffith.

"The book casts a curiously sweet spell." - Entertainment Weekly
Eleven Minutes tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that "love is a terrible thing that will make you suffer." A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria's despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darkness—sexual pleasure

for its own sake—or risking everything to find her own inner light and the possibility of true love.

My name is Calliope and "I bone for a living." Kidding. I am studying to be a paleontologist though. It's the only thing I've ever wanted to be, and I have finally landed the perfect museum internship to make all of my dino-loving dreams come true. Trouble is, everyone wants me to be a gentle, loving sort of creature, but I'm more of the T-Rex type by nature - the kind who is determined to stomp and tear her way through any obstacle in order to get what she wants. But when a sexy, rumbly-voiced astronomer plummets into my orbit and threatens to break open my hard little heart, my career and my whole way of looking at the world is suddenly on the line. The dinosaurs didn't see their asteroid coming. And I sure as hell wasn't prepared for mine.

"You can not have a life, you can not lose a life... You are life. It is you who hold the power to decide yourself back onto the path you intended...the path of welcoming and becoming your own bliss." The Sculptor In The Sky, the new book by spiritual catalyst, Teal Scott takes you on a journey of rediscovery of the universe of god and of yourself. This extraordinary book challenges us to reconnect with the eternal essence of our being and to expand our ideas about the reality we live in It is a must have for the curious, the wanting and the ready. A provocative guide to answering the questions that every person asks at some point in their life.

He was always there for me, Jenny Kovacek says in the opening of the novel After Dad, and indeed, her father is such a charismatic force in the family that despite his untimely passing, he

continues to have a dynamic impact on his survivors. Set mostly in Southern California during the tumultuous 1960s, Ralph Cohen's debut novel tells the stories of the man's three children and widow as they cope with his loss. Though missing, the father is never far from their minds, and during critical moments in their lives, he seems to reach out in various ways, from simple memories of touch and voice to artifacts left behind to a sense of his ongoing existence. How each of the family members responds to his lingering presence leads to results that are by turn comic, tragic and transformative. Two of the book's chapters appeared previously in literary magazines, *The Connecticut Review* and *REAL*.

I Found You

Few people have influenced Hollywood history than Douglas Fairbanks. And who better than his niece and Fairbanks family historian, Letitia, to relate that story? On-screen and offscreen, he was a force of nature, progressing in easy leaps and bounds from the Broadway stage to silent movies when feature-length film was just a few years old. His happy, healthy characters and acrobatic acting style brought a new energy to the medium. But it was through his extraordinary success as a producer that Fairbanks achieved the goal of all creative people: to run his own show. This he did by co-founding United Artists in 1919 with his soon-to-be wife Mary Pickford, Charles Chaplin, and D. W. Griffith. As a producer, he

showed visionary taste, collaborating with his directors and designers to enact gallant tales in spectacular settings. Whether he played a young man on the go or a swashbuckling hero in a fairy-tale land, Fairbanks—one of the thirty-six founders of the Academy of Motion Picture Arts and Sciences—put America's hopes and dreams on film. This updated version of the original 1953 biography has been expanded by the Fairbanks family with archival materials as well as never-before-seen photographs from the Academy of Motion Picture Arts and Sciences, Margaret Herrick Library.

It's just before New Year, and Frank, an overweight American tourist, has hired Kenji to take him on a guided tour of Tokyo's nightlife. But Frank's behaviour is so odd that Kenji begins to entertain a horrible suspicion: his client may in fact have murderous desires. Although Kenji is far from innocent himself, he unwillingly descends with Frank into an inferno of evil, from which only his sixteen-year-old girlfriend, Jun, can possibly save him.

2017 Nautilus Award Winner A new guide to the source of your spiritual energy--the aura--from renowned spiritual teachers Barbara Y. Martin and Dimitri Moraitis. From master Reiki teacher Lisa Champion comes *The Art of Psychic Reiki*, a one-of-a-kind, step-by-step guide for learning the sacred art of Reiki while cultivating the psychic and intuitive skills crucial to this healing energy work. Reiki is a gentle yet powerful, hands-on energy healing method from Japan that's been gaining in popularity over the last century—not only with bodyworkers and massage therapists in the West but also with medical professionals who can attest to its healing power. Born from the author's decades of experience with Reiki healing and her own methods, *The Art of Psychic Reiki* provides everything you need to know about this healing art, including the critical psychic development and empathy training that prepares healers to go out and do the work they were meant to do. If you're drawn to the healing art of Reiki, you might be a highly sensitive person, with high levels of empathy, intuition, and latent psychic abilities (a combination of intuition and inner knowing, plus the ability to connect with higher wisdom). And since Reiki is a form of energy healing, many new practitioners may experience what's called a psychic opening as they learn or practice. For this reason, it's important that every Reiki practitioner master the ability to navigate their empathic and psychic sensitivities while engaged in this work—and this book can help. Whether you're new to Reiki or you're a practitioner seeking to deepen your knowledge and enhance your skills, with this guide you'll learn how to use Reiki to heal yourself and others, cultivate and trust your natural intuition, develop your empathic and psychic abilities, work with your spirit guides, and ground and protect yourself as a practitioner of this sacred healing art.

Change Your Aura, Change Your Life

The inspiration for the acclaimed OWN TV series produced by Oprah Winfrey and Ava DuVernay "Queen Sugar is a page-turning, heart-breaking novel of the new south, where the past is never truly past, but the future is a hot, bright promise. This is a story of family and the healing power of our connections—to each other, and to the rich land beneath our feet."

—Tayari Jones, author of *An American Marriage* Readers, booksellers, and critics alike are embracing *Queen Sugar* and cheering for its heroine, Charley Bordelon, an African American woman and single mother struggling to build a new life amid the complexities of the contemporary South. When Charley unexpectedly inherits eight hundred acres of sugarcane land, she and her eleven-year-old daughter say goodbye to smoggy Los Angeles and head to Louisiana. She soon learns, however, that cane farming is always going to be a white man's business. As the sweltering summer unfolds, Charley struggles to balance the overwhelming challenges of a farm in decline with the demands of family and the startling desires of her own heart.

Have you been looking for love in all the wrong places? Do emotional feelings often cause you doubt and anxiety? Does life seem unfair and you don't know why? Don't worry, if you have answered with yes. You are not alone. Countless people around the world live with uncertainty about love and life. Everyone seeks love. Everybody wants a healthy and prosperous life. But, something has happened along the way. We have become distracted and attach ourselves to

temporary details of little significance during our journey. It seems that we are on the wrong path. However, the way is always permanent. But, how we walk this footpath determines everything. Steve Leacock offers ideas, insight, and guidelines to loving and living more consciously in a world that seems so complex. The book discusses existentialism, metaphysics, and spirituality. He dives deep into topics relating to how we love and live on this marvelously mysterious path called life.

A New York Times bestseller • One of Time Magazine 's 100 Best YA Books of All Time • Winner of the Michael L. Printz Award • A Stonewall Honor Book The radiant, award-winning story of first love, family, loss, and betrayal for fans of John Green, Becky Albertalli, and Adam Silvera "Dazzling."—The New York Times Book Review "A blazing prismatic explosion of color."—Entertainment Weekly "Powerful and well-crafted . . . Stunning." —Time Magazine " We were all heading for each other on a collision course, no matter what. Maybe some people are just meant to be in the same story. " At first, Jude and her twin brother are Noah and Jude; inseparable. Noah draws constantly and is falling in love with the charismatic boy next door, while daredevil Jude wears red-red lipstick, cliff-dives, and does all the talking for both of them. Years later, they are barely speaking. Something has happened to change the twins in different yet equally devastating ways . . . but then Jude meets an intriguing, irresistible boy and a mysterious new mentor. The early years are Noah ' s to tell; the later years are Jude ' s. But they each have only half the story, and if they can only find their way back to one another, they ' ll have a chance to remake their world. From the acclaimed author of *The Sky Is*

Everywhere, this exhilarating novel will leave you breathless and teary and laughing—often all at once.

“ Wilderson ’ s thinking teaches us to believe in the miraculous even as we decry the brutalities out of which miracles emerge ” —Fred Moten Praised as “ a trenchant, funny, and unsparing work of memoir and philosophy ” (Aaron Robertson,?Literary Hub), Frank B. Wilderson ’ s *Afropessimism* arrived at a moment when protests against police brutality once again swept the nation. Presenting an argument we can no longer ignore, Wilderson insists that we must view Blackness through the lens of perpetual slavery. Radical in conception, remarkably poignant, and with soaring flights of memoir, *Afropessimism* reverberates with wisdom and painful clarity in the fractured world we inhabit. “ Wilderson ’ s ambitious book offers its readers two great gifts. First, it strives mightily to make its pessimistic vision plausible. . . . Second, the book depicts a remarkable life, lived with daring and sincerity. ” —Paul C. Taylor, *Washington Post*

The Outsiders

An internationally recognized clairvoyant empath introduces the concept of "vibrational beings" to explain how a person's thoughts, emotions, and natural frequencies affect the self and one's

surrounding world, in a guide that reveals how to calm the mind in order to achieve a natural and more peaceful state of existence. 35,000 first printing.

With his expert teachings, philosophical insights, and pragmatic imagery, world-class yoga instructor Tias Little turns the anatomy of the physical body into a tool for navigating the subtle body. If you spend considerable time doing yoga, you begin to see that it is about much more than just the body—the practice of yoga in fact reveals that the body is in no way separate from the psYchospiritual forces that animate it. Tias Little here provides a way to understand these forces as they relate to an integrated yoga of body, mind, and spirit. He unites somatic concepts and wisdom teachings in this practical guide to the anatomy of the physical, mental, emotional, and subtle (or energetic) body. Little is a master teacher who offers us a guided tour of the body ’ s structure and physical anatomy, then uses this new structural awareness as the basis for exploring the subtle body. In a meaningful and pragmatic way, the book maps the connection between the body and the rich symbolism that pervades the yogic imagination, including the chakras, nadis, and koshas. Further, Little offers readers clear, insightful yoga, pranayama, and meditation exercises that apply these body-mind principles.

“ Readers of Liane Moriarty, Paula Hawkins, and Ruth Ware will love. ” —Library Journal (starred review) “ Jewell ’ s novel explores the space between going missing and being lost...how the plots intersect and finally collide is one of the great thrills of reading Jewell ’ s book. She ratchets up the tension masterfully, and her writing is lively. ” —The New York Times In the windswept British seaside town of Ridinghouse Bay, single mom Alice Lake finds a

man sitting on a beach outside her house. He has no name, no jacket, and no idea how he got there. Against her better judgment, she invites him inside. Meanwhile, in a suburb of London, newlywed Lily Monroe grows anxious when her husband fails to return home from work one night. Soon, she receives even worse news: according to the police, the man she married never even existed. Twenty-three years earlier, Gray and Kirsty Ross are teenagers on a summer holiday with their parents. The annual trip to Ridinghouse Bay is uneventful, until an enigmatic young man starts paying extra attention to Kirsty. Something about him makes Gray uncomfortable—and it ' s not just because he ' s a protective older brother. Who is the man on the beach? Where is Lily ' s missing husband? And what ever happened to the man who made such a lasting and disturbing impression on Gray? “ A mystery with substance ” (Kirkus Reviews), *I Found You* is a delicious collision course of a novel, filled with the believable characters, stunning writing, and “ surprising revelations all the way up to the ending ” (Booklist) that make the New York Times bestselling author of *Then She Was Gone* Lisa Jewell so beloved by audiences on both sides of the Atlantic.

From the #1 New York Times bestselling author of *Then She Was Gone* comes “ her best thriller yet ” (Harlan Coben, New York Times bestselling author) about a young couple ' s disappearance on a gorgeous summer night, and the mother who will never give up trying to find them. On a beautiful summer night in a charming English suburb, a young woman and her boyfriend disappear after partying at the massive country estate of a new college friend. One year later, a writer moves into a cottage on the edge of the woods that border the same estate.

Known locally as the Dark Place, the dense forest is the writer ' s favorite place for long walks and it ' s on one such walk that she stumbles upon a mysterious note that simply reads, “ DIG HERE. ” Could this be a clue towards what has happened to the missing young couple? And what exactly is buried in this haunted ground? “ Utterly gripping with richly drawn, hugely compelling characters, this is a first-class thriller with heart ” (Lucy Foley, New York Times bestselling author) that will keep you on the edge of your seat.

Americans have built an empire on the idea of “ race, ” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates ’ s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris,

from his childhood home to the living rooms of mothers whose children ' s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.

The twentieth anniversary edition of a transformative blueprint for ancestral healing—featuring new material and gateways, from the renowned herbalist, natural health expert, and healer of women ' s bodies and souls “ This book was one of the first that helped me start practices as a young woman that focused on my body and spirit as one. ” —Jada Pinkett Smith Through extraordinary meditations, affirmations, holistic healing plant-based medicine, KMT temple teachings, and *The Rites of Passage* guidance, Queen Afua teaches us how to love and rejoice in our bodies by spiritualizing the words we speak, the foods we eat, the relationships we attract, the spaces we live and work in, and the transcendent woman spirit we manifest. With love, wisdom, and passion, Queen Afua guides us to accept our mission and our mantle as Sacred Women—to heal ourselves, the generations of women in our families, our communities, and our world. Fortified with Yankee ingenuity and western can-do energy, the Moody family, transplanted from New England, builds a new life on a Colorado ranch early in the twentieth century. Father has died and Little Britches shoulders the responsibilities of a

man at age eleven. Man of the Family continues true pioneering adventures as unforgettable as those in Little Britches and The Fields of Home, also available as Bison Books.

Years after a tribal attack on the southern flatlands, Tadore, an Adjunct to the Empress, struggles to train a band of some twelve thousand inexperienced recruits to meet an attack by the forces of her sister, Sha'ik. By the author of Memories of Ice. Simultaneous.

Ralph Moody was eight years old in 1906 when his family moved from New Hampshire to a Colorado ranch. Through his eyes we experience the pleasures and perils of ranching there early in the twentieth century. Auctions and roundups, family picnics, irrigation wars, tornadoes and wind storms give authentic color to Little Britches. So do adventures, wonderfully told, that equip Ralph to take his father's place when it becomes necessary. Little Britches was the literary debut of Ralph Moody, who wrote about the adventures of his family in eight glorious books, all available as Bison Books.

The smart-machines revolution is reshaping our lives and our societies. Here, Sir Nigel Shadbolt, one of the world's leading authorities on artificial intelligence, and Roger Hampson dispel terror, confusion, and misconception. We are not about to be elbowed aside by a rebel army of super-intelligent robots of our own creation. We were using tools before we became Homo sapiens, and will continue to build and master them, no matter how complicated they become. How we exercise that control--in our private lives, in employment, in politics--and make the best of the wonderful opportunities, will determine our collective future well-being. Chapter by chapter, *The Digital Ape* outline how our choices and the use and adaptation of the tools we've created can lead to opportunities for the environment (both built and natural), health, and our security. Shadbolt and Hampson are uniquely well-suited to draw on historical precedent and technical know-how to offer a vision of the future that is exciting, rather than nerve-wracking, to contemplate.

"This tense wire of a novel thrums with suspense. . . . [this book] just might be the highlight of your summer. " – The New York Times Cheryl Strayed's *Wild* meets *The Revenant* in this heart-pounding story of survival and revenge in the unforgiving wilderness. After: Jess is alone. Her cabin has burned to the ground. She knows if she doesn't act fast, the cold will kill her before she has time to worry about food. But she is still alive—for now. Before: Jess hadn't seen her survivalist, off-the-grid dad in over a decade. But after a car crash killed her mother and left her injured, she was forced to move to his cabin in the remote Canadian wilderness. Just as Jess was beginning to get to know him, a secret from his past paid them a visit, leaving her father

dead and Jess stranded. After: With only her father ' s dog for company, Jess must forage and hunt for food, build shelter, and keep herself warm. Some days it feels like the wild is out to destroy her, but she ' s stronger than she ever imagined. Jess will survive. She has to. She knows who killed her father . . .and she wants revenge.
