Even more challenging: the attraction she feels for the tall, dark, and dangerously handsome Cam Rohan. Wealthy beyond most men's dreams, Cam has tired of society's petty restrictions and longs to return to his "uncivilized" Gypsy roots. When the delectable Amelia appeals to him for help, he intends to offer only friendship—but intentions are no match for the desire that blindsides them both. But can a man who spurns tradition be tempted into that most time-honored arrangement: marriage? Life in London society is about to get a whole lot hotter.

Daunted by the singular sexual tastes and dark secrets of the beautiful, tormented young entrepreneur Christian Grey, Anastasia Steele has broken off their relationship to start a new career with a Seattle publishing house.

The New York Times bestseller from the author of *The Order of Time* and *Reality Is Not What It Seems* and *Helgoland* "One of the year's most entrancing books about science."—*The Wall Street Journal* "Clear, elegant...a whirlwind tour of some of the biggest ideas in physics."—*The New York Times Book Review* This playful, entertaining, and mind-bending introduction to modern physics briskly explains

Einstein's general relativity, quantum mechanics, elementary particles, gravity, black holes, the complex architecture of the universe, and the role humans play in this weird and wonderful world. Carlo Rovelli, a renowned theoretical physicist, is a delightfully poetic and philosophical scientific guide. He takes us to the frontiers of our knowledge: to the most minute reaches of the fabric of space, back to the origins of the cosmos, and into the workings of our minds. The book celebrates the joy of discovery. "Here, on the edge of what we know, in contact with the ocean of the unknown, shines the mystery and the beauty of the world," Rovelli writes. "And it's breathtaking."

E L James revisits the world of *Fifty Shades* with a deeper and darker take on the love story that has enthralled millions of readers around the globe. Their scorching, sensual affair ended in heartbreak and recrimination, but Christian Grey cannot get Anastasia Steele out of his mind, or his blood. Determined to win her back, he tries to suppress his darkest desires and his need for complete control, and to love Ana on her own terms. But the horrors of his childhood still haunt him, and Ana's scheming boss, Jack Hyde, clearly wants her for himself. Can Christian's confidant and therapist, Dr. Flynn, help him face down his demons? Or will the possessiveness of Elena, his seducer, and the deranged devotion of Leila, his former submissive,

drag Christian down into the past? And if Christian does win Ana back, can a man so dark and damaged ever hope to keep her?
