In college I began reading about it and even guest-lectured about it for one of my professors' Gen. Ed. music classes. If it's a subject in any college anywhere, Norton has published a textbook to beat out competitors. So it is with film music. Pendergast's book is a great contribution to literature about film music.

The music continues with a compilation of the previous themes and ends on a victorious note. Lt. Kije (1934), a farcical film was the first attempt at a soundtrack for Prokofiev. He was intrigued by the storyline and ended up writing a series of leitmotifs totaling fifteen minutes that were satirical by this caustic and witty composer.
