

Fishing Boat Designs Small Trawlers

Small Fishing Boats: What Are Your Options? - boats.com

Two reasons for this are their small size and their hull designs. Since these boats weren't meant for seafaring, they do not have very deep hulls and are thus less expensive to build. If you're in the market for a deck boat, expect to pay somewhere between \$20,000.00 to \$50,000.00 on average. Fishing Boats Sportfish yachts are powerboats built to arrive at fishing grounds fast, with a hull design capable of cruising through any sea conditions. Most are equipped with tournament fishing options such as tuna towers, kill boxes, large tacking stations, ice makers, and live bait wells. Here are 10 of the biggest sportfish yachts ever built. These ...

Fishing Boat Designs Small Trawlers
