Fools, Frauds and Firebrands (the title tells you everything you need to know) takes in thinkers as diverse as the American liberal political theorists John Rawls and Ronald Dworkin, on the one hand, and European Marxists such as Alain Badiou and Slavoj Žižek, on the other.

Fools, Frauds and Firebrands: Thinkers of the New Left ...

In Fools, Frauds, and Firebrands, Roger Scruton offers an intellectual biography of the New Left and the Social Justice academic landscape. Though not exactly scathing, Fools offers more of a historical criticism than a critique. If not polemic, Fools wanders perilously close to being so, without stepping over the line.
