Why More Is Less, Revised Edition

Pulled into a deadly game of deception, secrets, and lies, a woman must find the truth in order to defeat a mysterious opponent, protect her daughter, and save her own life in this dazzling standalone psychological thriller with an unforgettable ending from the New York Times bestselling author of *Woman with a Secret* and *The Monogram Murders*. You thought you knew who you were. A stranger knows better. You've left the city—and the career that nearly destroyed you—for a fresh start on the coast. But trouble begins when your daughter withdraws, after her new best friend, George, is unfairly expelled from school. You beg the principal to reconsider, only to be told that George hasn't been expelled. Because there is, and was, no George. Who is lying? Who is real? Who is in danger? Who is in control? As you search for answers, the anonymous calls begin—a stranger, who insists that you and she share a traumatic past and a guilty secret. And then the caller threatens your life. . . . This is Justine's story. This is Justine's family. This is Justine's game. But it could be yours.

#1 New York Times bestselling author of *The Selection* series Kiera Cass is back with her most epic novel yet—a sweeping enemies-to-lovers standalone romance. “Love has a sound. It sounds like a thousand heartbeats happening at the same time.” Princess Annika has lived a life of comfort—but no amount of luxuries can change the fact that her life isn't her own to control. The king, once her loving father, has gone cold, and Annika will soon be forced into a loveless marriage for political gain. Miles away, small comforts are few and far between for Lennox. He has devoted his life to the Dahrainian army, hoping to one day help them reclaim the throne that was stolen from them. For Lennox, the idea of love is merely a distraction—nothing will stand in the way of fighting for his people. But when love, against all odds, finds them both, they are bound by its call. They can't possibly be together—but the irresistible thrum of a thousand heartbeats won't let them stay apart. Kiera Cass brings her signature sparkling romance to this beautiful story of star-crossed lovers and long-held secrets.

“Stephanie Perkins' characters fall in love the way we all want to, in real time and for good.” —Rainbow Rowell “This adorable YA romance is half New York love story, half Parisian romance, and fully prepared to make your heart melt quicker than a gelato dropped on a sidewalk.” —MTV.com From the glittering streets of Manhattan to the moonlit rooftops of Paris, falling in love is easy for hopeless dreamer Isla and introspective artist Josh. But as they begin their senior year in France, Isla and Josh are quickly forced to confront the heartbreaking reality that happily-ever-afters aren't always forever. Their romantic journey is skillfully intertwined with those of beloved couples Anna and Étienne and Lola and Cricket, whose paths are destined to collide in a sweeping finale certain to please fans old and new.

Kiera Cass's #1 New York Times bestselling Selection series has enchanted readers from the very first page. In this fourth romantic novel, follow Illea's royal family into a whole new Selection-and find out what happens after happily ever after. Eighteen years ago, America Singer entered the Selection and won Prince Maxon's heart. Now the time has come for Princess Eadlyn to hold a Selection of her own. Eadlyn doesn't expect her Selection to be anything like her parents' fairy-tale love story...but as the competition begins, she may discover that finding her own happily ever after isn't as impossible as she's always thought. A new generation of swoonworthy characters and captivating romance awaits in the fourth book of the Selection series!

A journalist's rollicking ride through the romance industry and a heartfelt and hilarious memoir of restoring faith in romantic love When his own romantic life was on the rocks, Avi Steinberg wondered if classical ideas about love still applied. As a compulsive reader, literary giants would be his guide. He went to Richardson and Austen, Tolstoy and Flaubert. But novels about relationships didn't go out of fashion after the nineteenth century, and Steinberg quickly realized he had to investigate the booming romance industry of today. As a writer as well as a reader, what better way to do that than to try his hand at writing romance himself? The Happily Ever After chronicles Steinberg's travels in a brave new world of books. He offers a grand tour of romance, from major industry conferences to writing groups at the local bar, as he works and reworks his own idea for a romance novel. He gives the inside scoop from a major romance publishing house, follows a fan fiction writer on her quest to meet megastar Sylvia Day, and analyzes the epic rivalry between cover hunks Fabio and CJ Hollenbach. And along the way he meets many romance readers, each of whom sheds light on why we are so fascinated by romance fiction and what the vitality of this genre has to say about us. With quirky wit and disarming honesty, Steinberg captures and elevates a literary culture often relegated to the margins, while also coming to better understand himself and realizing the possibility of loving again.

Happily Ever After: Companion to the Selection Series

“ Compelling, imaginative, and unique. I couldn ’ t turn the pages fast enough! ” — Mary Lindsey, author of Haven Perfection comes at a price. As soon as the government passed legislation allowing humans to be genetically engineered and sold as pets, the rich and powerful rushed to own beautiful girls like Ella. Trained from birth to be graceful, demure, and above all, perfect, these "family companions" enter their masters' homes prepared to live a life of idle luxury. Ella is happy with her new role as playmate for a congressman's bubbly young daughter, but she doesn't expect Penn, the congressman's handsome and rebellious son. He's the only person who sees beyond the perfect exterior to the girl within. Falling for him goes against every rule she knows...and the freedom she finds with him is intoxicating. But when Ella is kidnapped and thrust into the dark underworld lurking beneath her pampered life, she's faced with an unthinkable choice. Because the only thing more dangerous than staying with Penn's family is leaving...and if she's unsuccessful, she'll face a fate far worse than death. For fans of Keira Cass's Selection series and Lauren DeStefano's Chemical Garden series, Perfected by Kate Jarvik Birch is a chilling look at what it means to be human, and a stunning celebration of the power of love to set us free, wrapped in a glamorous—and dangerous—bow. The Perfected series is best enjoyed in order. Reading Order: Book #1 Perfected Book #2 Tarnished Book #3 Unraveled

The instant #1 New York Times bestseller from the bestselling author of the Selection series! Kiera Cass is back with a glittering royal romance sure to captivate her legion of loyal readers and lovers of courtly intrigue alike. A would-be queen. A handsome young king. A perfect match...or is it? When King Jameson declares his love for Lady Hollis Brite, Hollis is shocked—and thrilled. After all, she's grown up at Keresken Castle, vying for the king's attention alongside other daughters of the nobility. Capturing his heart is a dream come true. But Hollis soon realizes that falling in love with a king and being crowned queen may not be the happily ever after she thought it would be. And when she meets a commoner with the mysterious power to see right into her heart, she finds that the future she really wants is one that she never thought to imagine.

Fiona wants to fix people's problems--but what if she's the one who needs help? Kelly Jones, author of *Unusual Chickens for the Exceptional Poultry Farmer*, delivers a funny, take-charge heroine kids will love. Fiona may have problems, but she's no damsel in distress. She'd rather be the one wielding the wand in the story: she wants to be the fairy godperson. So when her mom sends her off to stay with relatives in a place called Cold Hope for the summer, Fiona decides it's time to start training for the role. And wow, do these people need help! Aunt Becky's bakery is failing, Great-uncle Timothy draws but never speaks, and Great-Aunt Alta is the gloomiest, dooziest woman she's ever met. But helping people in the real world isn't as easy as it sounds in fairy tales. Change is messy. What if she's actually making things worse? Still, with practice (and some deep breaths), Fiona will discover that sometimes messy is okay. Sometimes things do get worse before they get better. And sometimes trying to help fix other people's problems can help you work on your own...

The spectacular happily ever after of the #1 New York Times bestselling Selection series Kiera Cass's #1 New York Times bestselling Selection series has captured the hearts of readers from its very first page. Now the end of the journey is here. Prepare to be swept off your feet by *The Crown*—the eagerly awaited, wonderfully romantic fifth and final book in the Selection series. In *The Heir*, a new era dawned in the world of *The Selection*. Twenty years have passed since America Singer and Prince Maxon fell in love, and their daughter is the first princess to hold a Selection of her own. Eadlyn didn't think she would find a real partner among the Selection's thirty-five suitors, let alone true love. But sometimes the heart has a way of surprising you...and now Eadlyn must make a choice that feels more difficult—and more important—than she ever expected. Don't miss *The Betrothed*, a glittering royal romance sure to captivate Kiera Cass's legion of loyal readers and lovers of courtly intrigue alike!

An incisive, intersectional essay anthology that celebrates and examines romance and romantic media through the lens of Black readers, writers, and cultural commentators, edited by Book Riot columnist and librarian Jessica Pryde. Romantic love has been one of the most essential elements of storytelling for centuries. But for Black people in the United States and across the diaspora, it hasn't often been easy to find Black romance joyfully showcased in entertainment media. In this collection, revered authors and sparkling newcomers, librarians and academicians, and avid readers and reviewers consider the mirrors and windows into Black love as it is depicted in the novels, television shows, and films that have shaped their own stories. Whether personal reflection or cultural commentary, these essays delve into Black love now and in the past, including topics from the history of Black romance to social justice and the Black community to the meaning of desire and desirability. Exploring the multifaceted ways love is seen—and the ways it isn't—this diverse array of Black voices collectively shines a light on the power of crafting happy endings for Black lovers. Jessica Pryde is joined by Carole V. Bell, Sarah Hannah Gomez, Jasmine Guillory, Da'Shaun Harrison, Margo Hendricks, Adriana Herrera, Piper Huguley, Kosoko Jackson, Nicole M. Jackson, Beverly Jenkins, Christina C. Jones, Julie Moody-Freeman, and Allie Parker in this collection.

A #1 NEW YORK TIMES BEST SELLER The Selection meets Reign in this dazzling trilogy of interwoven novels about three girls on a quest for freedom and true love from #1 internationally bestselling author Richelle Mead. "Brilliant and original, Mead's new series starts off with a bang and will leave readers on the edge of their seats until the very end." —School Library Journal For a select group of girls, the Glittering Court offers a shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. To high-born Adelaide, whose wealthy family is forcing her into a loveless marriage, the Glittering Court represents something else: the chance to chart her own destiny, and adventure in an unspoiled, prosperous new land across the sea. After a chance meeting with the dazzling Cedric Thorn, Adelaide poses as a servant to join the crop of impoverished girls he promises to transform into proper ladies. But her familiarity with upper class life comes with a price: she must hide her identity from her new friends, mysterious refugee Mira and fiery former laundress Tamsin, and most importantly, from Cedric himself—even though she's falling in love with him. Everything begins to crumble when Cedric discovers Adelaide's ruse, and she catches the eye of a powerful young governor, who wants her for a wife. She didn't leave the gilded cage of her old life behind just to become someone else's property. But nothing is as daunting—or as wonderful—as the potent, forbidden attraction simmering between Adelaide and Cedric. One that, if acted on, would make them both outcasts in a wild, dangerous, uncharted world, and possibly lead them to their deaths.

Women have been important contributors to and readers of magazines since the development of the periodical press in the nineteenth century. By the mid-twentieth century, millions of women read the weeklies and monthlies that focused on supposedly "feminine concerns" of the home, family and appearance. In the decades that followed, feminist scholars criticized such publications as at best conservative and at worst regressive in their treatment of gender norms and ideals. However, this perspective obscures the heterogeneity of the magazine industry itself and women's experiences of it, both as readers and as journalists. This collection explores such diversity, highlighting the differing and at times contradictory images and understandings of women in a range of magazines and women's contributions to magazines in a number of contexts from late nineteenth century publications to twenty-first century titles in Britain, North America, continental Europe and Australia.

The Paradox of Choice

The Selection, The Elite, The One, The Prince, The Guard

The Prince

A Memoir of an Unlikely Romance Novelist

Research, Representation, Production and Consumption

Whether we're buying a pair of jeans, ordering a cup of coffee, selecting a long-distance carrier, applying to college, choosing a doctor, or setting up a 401(k), everyday decisions—both big and small—have become increasingly complex due to the overwhelming abundance of choice with which we are presented. As Americans, we assume that more choice means better options and greater satisfaction. But beware of excessive choice: choice overload can make you question the decisions you make before you even make them, it can set you up for unrealistically high expectations, and it can make you blame yourself for any and all failures. In the long run, this can lead to decision-making paralysis, anxiety, and perpetual stress. And, in a culture that tells us that there is no excuse for falling short of perfection when your options are limitless, too much choice can lead to clinical depression. In *The Paradox of Choice*, Barry Schwartz explains at what point choice—the hallmark of individual freedom and self-determination that we so cherish—becomes detrimental to our psychological and emotional well-being. In accessible, engaging, and anecdotal prose, Schwartz shows how the dramatic explosion in choice—from the mundane to the profound challenges of balancing career, family, and individual needs—has paradoxically become a problem instead of a solution. Schwartz also shows how our obsession with choice encourages us to seek that which makes us feel worse. By synthesizing current research in the social sciences, Schwartz makes the counter intuitive case that eliminating choices can greatly reduce the stress, anxiety, and busyness of our lives. He offers eleven practical steps on how to limit choices to a manageable number, have the discipline to focus on those that are important and ignore the rest, and ultimately derive greater satisfaction from the choices you have to make.

A #1 NEW YORK TIMES BESTSELLER! Featured in its own episode in the Netflix original show *Bookmarks: Celebrating Black Voices!* National Book Award winner Jacqueline Woodson and two-time Pura Belpré Illustrator Award winner Rafael López have teamed up to create a poignant, yet heartening book about finding courage to connect, even when you feel scared and alone.

There will be times when you walk into a room and no one there is quite like you. There are many reasons to feel different. Maybe it's how you look or talk, or where you're from; maybe it's what you eat, or something just as random. It's not easy to take those first steps into a place where nobody really knows you yet, but somehow you do it. Jacqueline Woodson's lyrical text and Rafael López's dazzling art reminds us that we all feel like outsiders sometimes—and how brave it is that we go forth anyway. And that sometimes, when we reach out and begin to share our stories, others will be happy to meet us halfway. (This book is also available in Spanish, as *El Día En Que Descubres Quién Eres!*)

The delightful final installment of the beloved and New York Times bestselling Miss Julia series. Wedding fever hits Abbotsville and several of Miss Julia's friends have plans to tie the knot. But, as usual, nothing is so simple. Christy Hargrove suddenly gives up a lifelong dream and drops out of medical school to marry, Helen Stroud and Thurlow Jones decide to change their commercial arrangement into a marital one, and, to Miss Julia's

consternation, Lillian, her housekeeper and closest companion, is considering a less-than-romantic offer to wed a local businessman who turns courting into a job interview. And then there's LuAnne who just wants to be married, and Janelle who doesn't. Miss Julia wants to properly celebrate each ceremony, insofar as anyone will let her. But Helen wants a private, even secretive, wedding; Christy's fiancé wants a destination wedding, and Lillian can't decide if she wants a wedding at all. In the middle of it all, a strange figure keeps showing up in town, streaking across lawns and vandalizing the gardens of Miss Julia's neighbors. Abbotsville's liveliest resident finds herself trying to solve it all---matters of the heart and petty crime alike---and once again save the day.

John Cech's retelling of the classic fables. These stories are about life lessons and making choices.

“Smart and funny, with characters so real and vulnerable, you want to send them care packages. I loved this book.” —Rainbow Rowell From debut author Mary H.K. Choi comes a compulsively readable novel that shows young love in all its awkward glory—perfect for fans of *Eleanor & Park* and *To All the Boys I’ve Loved Before*. For Penny Lee, high school was a total nonevent. Her friends were okay, her grades were fine, and while she’d somehow landed a boyfriend, they never managed to know much about each other. Now Penny is heading to college in Austin, Texas, to learn how to become a writer. It’s seventy-nine miles and a zillion light years away from everything she can’t wait to leave behind. Sam’s stuck. Literally, figuratively, emotionally, financially. He works at a café and sleeps there too, on a mattress on the floor of an empty storage room upstairs. He knows that this is the god-awful chapter of his life that will serve as inspiration for when he’s a famous movie director but right this second the seventeen bucks in his checking account and his dying laptop are really testing him. When Sam and Penny cross paths it’s less meet-cute and more a collision of unbearable awkwardness. Still, they swap numbers and stay in touch—via text—and soon become digitally inseparable, sharing their deepest anxieties and secret dreams without the humiliating weirdness of having to, you know, see each other.

Immerse yourself in this utterly addictive forbidden love story that has captivated thousands of readers around the world. “We are not meant to be together. I should’ve known better. And yet...” Petra, a seventeen-year-old Dutch-American and the only heir of finance tycoon Roy Van Gatt, has always had her life rigorously planned and supervised by her strict father. From her internship at his hedge fund firm on Wall Street to her degree in Economics at Columbia University, Petra is all set for a bright future in finance. But everything falls apart when she develops a dangerous relationship with her father’s business partner and utmost confidant, Alexander Van Dieren. A Dutch nobleman, known as an unrepentant heartbreaker, twenty-three years her senior, and who is, above all else, her beloved godfather. A twisted obsession for some, unconditional love for others, but one thing is sure: it’s a relationship that might cost them everything... This book is for mature audiences. ?????
