Friendly Chemistry is a complete high
school-level chemistry course which uses
simple language and a multitude of

analogies to make learning (and teaching) chemistry easy! Friendly Chemistry utilizes games, activities and lab experiences to make the concepts crystal clear and readily retained. Parents often comment, "I wish I had had this when I was taking chemistry in high school. Now it all makes so much sense! " The abstract concepts of chemistry are truly made accessible with Friendly ...

~~Friendly Chemistry: A Guide to Learning Basic Chemistry~~

However, extra Student Editions and Workbooks are available for additional students, or if you simply prefer not to have your student work in the Teacher Edition. Makes Chemistry Crystal Clear Used by homeschool, charter, public, and private school students world-wide for over 10 years, Friendly Chemistry makes chemistry concepts crystal-clear.
