GAS WAR. The higher the gas price, the higher your chance of winning allocation. At the end of the countdown, you'll be provided with an ETH address above where only ETH is accepted. It's a smart contract address, so be sure that you specify at least 120K gas when sending your ETH. Cheap Gas! When Costco isn't open, or I'm just too lazy to head over and wait in line I choose Gas Wars for my gasing needs. I typically check Gas Buddy (a darn good app at finding cheap gas nearby!) for the best prices, and without a doubt, Gas War has been some of the cheapest around.
