The story of three generations in twentieth-century China that blends the intimacy of memoir and the panoramic sweep of eyewitness history—a bestselling classic in thirty languages with more than ten million copies sold around the world, now with a new introduction from the author. An engrossing record of Mao ' s impact on China, an unusual window on the female

experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord ' s concubine; her mother ' s struggles as a young idealistic Communist; and her parents ' experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a “ barefoot doctor, ” a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.

How Intermediate Korean Short Stories works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to discover more

about the Korean way of life. The last two are even more challenging in length and level for those of you getting ready for Advanced Korean! - The summaries follow the story: a synopsis in Korean and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at

first glance! - Finally, you'll be provided with a set of tricky questions in Korean, allowing you the chance to prove that you learned something in the story.
