

Gaunts Ghosts The Founding By Dan Abnett

The Sabbat Worlds have been lost to the Imperium for many long centuries. Now, a crusade fights to reclaim them. In its midst are Colonel-Commissar Ibram Gaunt and his "Ghosts", the brave men of the Tanith First-and-Only. As they survive battle after battle, Gaunt and his men uncover an insidious plot to unseat the crusade's warmaster, a move that threatens to destabilise the war effort and undo all the good work and sacrifice of millions of soldiers. With no one to trust and nowhere to turn, Gaunt must find a way to expose the conspiracy and save his men from a needless death.

The now legendary character created by Leslie Charteris has survived nearly three-quarters of a century of perilous action and narrow escapes with nary a hair out of place nor the slightest jolt to his jauntily tipped halo. From his earliest days battling "crooks, blood suckers, traders in vice and damnation" (and cracking the occasional safe on the side), the Saint has captured the imaginations of millions. Using the voluminous correspondence and writings of author Leslie Charteris and examining the many incarnations of Simon Templar, alias "The Saint," in other media, a detailed history emerges. Includes plot synopses of the radio and television programs, with air dates and production credits; descriptions of the movies and their credits; a bibliography, reviews of the books, and quotes from the principals.

The latest Gaunt's Ghost now in paperback The Tanith First-And-Only embark on a desperate mission that could decide the fate of the Sabbat Worlds Crusade in the thirteenth book of this popular Imperial Guard series. The Ghosts of the Tanith First-and-Only have been away from the front line for too long. Listless, and hungry for action, they are offered a mission that perfectly suits their talents. The objective: the mysterious Salvation's Reach, a remote and impenetrable stronghold concealing secrets that could change the course of the Sabbat Worlds campaign. But the proposed raid is so hazardous, it's regarded as a suicide mission, and the Ghosts may have been in reserve for so long they've lost their edge. Haunted by spectres from the past and stalked by the Archenemy, Colonel-Commissar Gaunt and his Ghosts embark upon what could be their finest hour... or their final mission.

Inquisitor Eisenhorn is one of the most senior members of the Imperial Inquisition. With his warband he scourges the galaxy in order to root out heresy. When that heresy is found to infiltrate the hierarchy of the Imperium and the Inquisition itself, he must rely on himself alone to deal with it - even if it means making deals with the enemy. All three books of the Eisenhorn trilogy along with two short stories and Eisenhorn's case book and compendium are included in one big volume
