A-Level Mathematics

Edexcel Modular

Offering students support for the Edexcel GCSE modular specification, this book provides an easy-to-follow course structure, extra practice questions and revision exercises tailored to each module. Page numbers for the Edexcel GCSE mathematics student books are given for reference.

Advertising is a form of communication that constantly impinges on our daily lives, yet we are often unaware of its more subtle form of persuasion, or of the extent to which it manipulates our (consumer) culture. This book sets out to examine advertising as a form of communication in contemporary society and also places it in its wider cultural and economic context.

With ten year's experience of publishing for Edexcel Mathematics and as a preferred partner of Edexcel, we can offer the best option for the new two-tier modular specification in September 2006.
