Geographies Of Muslim Women Gender

"Geographies of Muslim Women is a timely and significant intervention that is destined to become a landmark in feminist conversations in and beyond geography. In the post-9/11 geopolitical context, when we are bombarded with dangerous caricatures of

Islam and everything
'Muslim,' this outstanding
volume provides us with
desperately needed tools to
engage, ground, and extend
critical questions of
representation, difference,
political action, and
space."--Richa Nagar,
Department of Women's ...

Geographies of Muslim Women: Gender, Religion, and Space

...

In majority Islamic societies Muslim women are striving not only to attain basic human needs and rights, Muslim women are using Islam to demand gender equality via a more liberal reading of the Holy Qur'an and Islamic jurisprudence, new civil liberties, and new

relationships to the outside world (Afary, 2004a).

The Impact of Islam as a Religion and Muslim Women on

...

Abstract. The status of women in society is very diverse worldwide. Among many important traits associated with the differentiation of gender inequality is religion, which itself must be regarded as a fluid concept with interpretations and practices 'embedded' and thus varying with respect to cultural and historical relations.
