Along with intervention for students with learning needs, the department also oversees and supports the Gifted and Talented Education Department (GATE). Currently, the

GATE program services
students in grades 3-8
through a challenging and
rigorous curriculum geared
to qualified students
through intense cognitive
and achievement testing.

who are currently enrolled in the GATE Program, which is a Special Education program designed to meet the unique, and often complex needs of learners who are academically

gifted. What is Gifted and Talented Education?
Specific learning needs and outcomes are monitored so that the students can achieve their potential.
