Kratos, a brutally violent Greek soldier, tortured by the memories of his past, has taken the throne as the new God of War and is a very angry and vengeful god. While leading a massacre through a city protected by Athena, Kratos is betrayed by his fellow gods and murdered by Zeus who is wielding the

The gameplay of God of War 2 is even more brutal than the first. It plays just like the first game and once again the Blades of Chaos are your main weapons. Many other weapons and spells can be learned and they can all be upgraded as you play. For me though, the Blades of Chaos are the most fun to use and what I associate most with Kratos.
